Gedrängt Vom Erbarmen:

The Vincentians: A General History of the Congregation of the Mission John E. Rybolt, THE SUBTITLE OF THIS SIXTH AND FINAL VOLUME of The Vincentians Internationalization and Aggiornamento 1919 1980 describes the growth and change of the Congregation of the Mission in the twentieth century Formerly European in focus the provinces of the Congregation gained their own voice Membership in mission lands such as China Brazil and Ethiopia surged as local vocations joined their European confreres The same is true of maturing provinces elsewhere St Vincent de Paul s congregation became internationalized in both outreach and membership The Vincentians in these recent decades also tasted the bitterness of persecution The Congregation was suppressed at various times in Europe Latin America Asia and Africa Its members often reacted by moving elsewhere thus furthering the internationalization of the Vincentian charism Under the Nazis and Communist regimes many suffered imprisonment torture and death The provinces of Central Europe Slovakia Hungary and Poland to say nothing of China were particularly hard hit Updating aggiornamento was the watchword toward the close of this period As society changed so did the Church and with it the Vincentians The process was difficult and painful but it moved the Congregation in directions originally laid down by the Founder Increasingly the members emphasized mutual cooperation with many Vincentian inspired lay organizations the Vincentian Family The inspiration shared among them all has been a further manifestation of the compelling insights of St Vincent de Paul *Unentgeltliche Beerdigung*
