Kulakowski, Editor,2015-11-29 Historically the book of Exodus treats of the deliverance of Israel from Egypt but viewed doctrinally it deals with redemption Just as the first book of the Bible teaches that God elects unto salvation so the second instructs us how God saves namely by redemption Redemption then is the dominant subject of Exodus Following this we are shown what we are redeemed for worship and this characterizes Leviticus where we learn of the holy requirements of God and the gracious provisions He has made to meet these In Numbers we have the walk and warfare of the wilderness where we have a typical representation of our experiences as we pass through this scene of sin and trial our repeated and excuseless failures and God s long sufferance and faithfulness **Noah's Curse** Stephen R.
