Europese Mythen Over De Orient Een Analyse:

Javaense reyse Rijklof van Goens, 1995 **Boekblad** , 1991-10 **Muslims in the Margin** W. A. R. Shadid, P. S. van Koningsveld, 1996 The involvement of minorities in politics has been the subject of a considerable number of studies However these studies are rarely concerned with the political role in Western Europe of both Islam as a mobilising factor and the Muslims as a religious group comparable with other confessional groups creating political parties The importance of political participation of Muslims for the improvement of their social economic and cultural position as well as for the establishing of religious infrastructure has been widely recognized by politicians and scientists alike As relative newcomers in Western Europe most Muslims still occupy a marginal position which makes their active political participation all the more urgent Over the last decades initiatives have been taken in several countries to create Islamic political parties At the same in most countries of Western Europe the established political parties are nominating members with an Islamic background among their candidates Furthermore many discussions have taken place about the feasibility of the integration of Islam within the European social and political systems Cabinet ministers and established political parties have developed views about the nature of Islam which are being crystalized in the policies of the national governments Central issues in these discussions are for instance the compatibility of Islam and parliamentary democracy and human rights the fear of religious fundamentalism and fanaticism as well as the oppression of women by Islam The present book contains fourteen contributions by specialists from various European countries **Brinkman's catalogus van boeken en tijdschriften** , 1996 With 1901 1910 1956 1960 Repertorium is bound Brinkman's Titel catalogus van de gedurende 1901 1910 1956 1960 Title varies slightly
