Nicole Gallina

Euroscepticism Party Politics National Identity And European Integration European Studies :

Euroscepticism, 2016-08-29 The accelerated pace of European integration since the early 1990s has been accompanied by the emergence of increasingly prominent and multiform oppositions to the process The term Euroscepticism has appeared with growing frequency in a range of political media and academic discourses Yet the label is applied to a wide range of different and occasionally contradictory phenomena Although originally associated with an English exceptionalism relative to a Continental project of political and economic integration the term Euroscepticism is now also identified with a more general questioning of European Union institutions and policies which finds diverse expressions across the entire continent This volume of European Studies brings together an interdisciplinary team of contributors to provide one of the first major multinational surveys of the growth of these Eurosceptic tendencies Individual chapters provide detailed examinations of developments in France Germany the Netherlands the United Kingdom Ireland Sweden Austria the Czech Republic Poland and Switzerland Overall the volume draws a distinctive portrait of contemporary Euroscepticism situating the phenomenon not only relative to the progress of European integration but also in relation to broader questions concerned with the evolution of party politics and the reshaping of national identities

The Routledge Handbook of Euroscepticism

Benjamin Leruth, Nicholas Startin, Simon Usherwood, 2017-08-16 Since the advent of the 1992 Maastricht Treaty a key turning point in terms of the crystallisation of opposition towards the European Union EU Euroscepticism has become a transnational phenomenon The term Euroscepticism has become common political language in all EU member states and with the advent of the Eurozone refugee and security crises have become increasingly embedded within European nation states Bringing together a collection of essays by established and up and coming authors in the field this handbook paints a fuller more holistic picture of the extent to which the Eurosceptic debate has influenced the EU and its member states Crucially it also focuses on what the consequences of this development are likely to be for the future direction of the European project By adopting a broad based thematic approach the volume centres on theory and conceptualisation political parties public opinion non party groups the role of referendums and the media and of scepticism within the EU institutions It also reflects on the future of Euroscepticism studies following the United Kingdom's vote to leave the EU Containing a full range of thematic contributions from eminent scholars in the field The Routledge Handbook of Euroscepticism is a definitive frame of reference for academics practitioners and those with an interest in the debate about the EU and more broadly for students of European Studies EU and European Politics

Far Right Parties and Euroscepticism Sofia

Vasilopoulou, 2017-12-28 Why do parties that belong to the same party family address the EU question differently This book addresses this question through a systematic analysis of the EU positions of far right parties in Europe Starting from the assumption that far right parties are rational actors the book argues that the way in which they may interpret structural incentives depends on their relationship with democracy their attitude towards the polity their target electorate social basis

and their behaviour towards competitors Classification on these indicators leads to the identification of three far right party models anti system anti liberal and normalised Given that the EU is a core issue in far right parties toolkit it becomes a key policy in party competition Anti system far right parties tend to opt for a rejectionist position on the EU anti liberal far right parties tend to be conditional Eurosceptics and normalised far right parties tend to adopt a compromising position on the EU The specific Eurosceptic frame that parties may prioritise depends on the domestic political context and how they may perceive national identity This book s findings are relevant in light of Europe s political and economic crises and rising public support for Eurosceptic ideas and far right parties *Routledge Handbook of European Elections* Donatella M. Viola,2015-08-14

The Routledge Handbook of European Elections explores the multifaceted dimension of the European Parliament s EP electoral contests across the European Community and European Union since 1979 After setting a general empirical and theoretical framework this collaborative project presents original contributions from leading experts from virtually all the corners of the European Union Each case study adheres to a common template that makes it easy to compare data methodology and outcomes Every country chapter includes a brief geopolitical profile and historical background of the Member State a glance at the national political landscape a short account of the main political parties including their attitude toward the European Union a section on public opinion and European integration a summary of electoral systems an overview of all EP and national elections an in depth analysis of the 2009 EP electoral race an overall theoretical interpretation of European elections A comparative chapter closes the Handbook followed by an Epilogue focussing on the 2014 EP contest with a detailed analysis of the newly elected European Assembly in terms of political group and gender composition The volume aims to enhance readers understanding of the European Parliament and revive their interest in the European integration process By providing a wide range of national and European facts and figures this investigation represents a comprehensive reference guide to scholars practitioners and students of the European Parliament European elections political parties European Union and comparative politics *European Identity* Kenneth Keulman,Agnes Katalin Koós,2014-08-20

The further evolution of the European Union is mainly dependent on how its citizens relate to their fellow Europeans speaking a score of languages and belonging to a variety of cultures This book addresses the question of whether a new sense of collective self identification labeled European identity a special form of socio territorial identities is emerging Collective identities are works in progress they entail a salient strategic activist and future oriented dimension Divergent strategic goals of the constituent groups induce a perpetual contestation and negotiation of the group identity a process that in the case of the EU is intensified by the continuously changing boundaries and institutional structure of the super polity To confront these challenges this book has a double focus The first part weighs in on the feasibility of a European identity in light of what the two main paradigms in the field primordialism and constructivism can predict The second part maps the social forces that are either favorable or inimical to the creation of a common social identity on the continent Both parts

develop hypotheses about the processes we witness and test them with the available empirical data Part II distinguishes between passive and active supporters of the integration project besides the Eurosceptic segment of the public Provision of public goods by regional integration is believed to explain passive permissiveness while the main impetus for integration comes from those who may reap above average benefits from it This book contends that the groups of active supporters have historically been changing within the Union namely the political Left and Right are changing their roles in negotiating future developments Yet the evolution of the EU is also shaped by the solutions adopted to accommodate ethnic and cultural diversity The empirical tests involve opinion survey data taken from the Eurobarometer series World Value and European Social Surveys and the International Social Survey Programme expert ratings as well as party elite documents from the Manifesto Project Database

The Extreme Right in Europe Paul Hainsworth, 2008-03-17 This book is a concise critical introduction to one of the most emergent themes in late twentieth century history politics and society and looks at how extremist and nationalist popular fronts have grown under the influence of modern day issues

The Routledge History of East Central Europe since 1700 Irina Livezeanu, Arpad von Klimó, 2017-03-16 Covering territory from Russia in the east to Germany and Austria in the west The Routledge History of East Central Europe since 1700 explores the origins and evolution of modernity in this turbulent region This book applies fresh critical approaches to major historical controversies and debates expanding the study of a region that has experienced persistent and profound change and yet has long been dominated by narrowly nationalist interpretations Written by an international team of contributors that reflects the increasing globalization and pluralism of East Central European studies chapters discuss key themes such as economic development the relationship between religion and ethnicity the intersection between culture and imperial national wartime and revolutionary political agendas migration women s and gender history ideologies and political movements the legacy of communism and the ways in which various states in East Central Europe deployed and were formed by the politics of memory and commemoration This book uses new methodologies in order to fundamentally reshape perspectives on the development of East Central Europe over the past three centuries Transnational and comparative in approach this volume presents the latest research on the social cultural political and economic history of modern East Central Europe providing an analytical and comprehensive overview for all students of this region

The Eurosceptic 2014 European Parliament Elections Julie Hassing Nielsen, Mark N. Franklin, 2016-12-08 This edited collection explores the role of Euroscepticism in the European Parliament EP elections of 2014 both in particular EU Member States and across broader regions It shows how the second rate features of elections with no clear agenda setting role facilitated the astonishing success of Eurosceptic parties while the traditionally second order nature of purely legislative elections amplified this outcome giving it a quite different character than the outcome of any previous EP elections with potential in turn to affect outcomes of later national elections as well The chapters draw on a number of different methodological approaches and focus on different perspectives regarding how Euroscepticism played a

role in the election context investigating public opinion party strategies and media coverage and assessing how these elections created links to national party politics with likely consequences for electoral success of Eurosceptic parties in future national elections and referendums This book will be of particular interest to students and scholars in the fields of European politics voting behavior Euroscepticism **European Journal of Political Research**, 2008 Dictionary of European actors Elisabeth Lambert Abdelgawad, Hélène Michel, 2015-04-07 If the European political space has been extensively explored research has remained all too often focused on the institutions of the European Union and the Council of Europe rather than on the actors who make Europe This dictionary brings a new angle to scholarship on Europe by systematically investigating its actors those who work within the institutions or in close contact with them those who are the targets of European policies those in the name of whom reforms are carried out those who promote Europe and those who oppose it It showcases a comprehensive interdisciplinary approach that bridges the usual separation between the European Union and the Council of Europe In each entry contributors selected among the leading specialists in their fields of research present the state of the art and the most current research perspectives on European actors Students teachers and researchers with an interest in Europe will find this volume to be a valuable work of reference and a source of new and stimulating ideas and perspectives on Europe More broadly the dictionary will appeal to professionals of Europe eager to gain insights into their working environment as well as to readers interested in understanding Europe through its actors

Central European History and the European Union Stanislav J. Kirschbaum, 2007-10-23 This is a volume of scholarly essays that asks the question of the meaning of Europe by examining certain aspects of Central European history as well as issues dealing with the EU's enlargement into Central Europe that not only have an impact on the EU's development but that also contribute to bringing about a definition of Europe that reflects the values and aspirations of all its citizens

Opposing Europe?: Case studies and country surveys Aleks Szczerbiak, Paul A. Taggart, 2008 **Twenty-First Century Populism** Daniele Albertazzi, Duncan McDonnell, 2008-01-15 Over the last decade the main area of sustained populist growth has been Western Europe with populist movements reaching new heights in countries such as France Italy Austria and Holland Twenty First Century Populism analyses this phenomenon by looking at the conditions facilitating the emergence and success of populism in specific national contexts and then examining why populism has flourished or floundered in those countries The book also discusses the degree to which populism has affected mainstream politics in Western Europe and examines the inter relationship between populism political parties the media and democracy Containing chapters by a series of country experts and renowned political scientists from across the continent this volume is the first to offer an in depth account of the reasons behind the populist wave in twenty first century Europe **Political Elites in East Central Europe** Nicole Gallina, 2008 This monograph is a major survey of East Central European ECE political elites and concentrates on Czech Republic Slovakia Hungary and Poland It is grounded within classic elite theory slightly adapted to

ECE necessities More practically the book examines political elite composition and identifies political elite fragmentation in ECE The author questions that East Central European political elites have incorporated democratic values and conduct The main argument is that there is a significant gap between the formal democratic ECE institutions and political elite behaviour This gap has different dimensions which are relevant at the domestic level and also cause problems at the EU level Ultimately the political elite institution gap questions democratic political achievements after 1989 In providing a major analysis of ECE political elite structure and conduct the book points to the most urgent challenges of ECE political systems the reform of the political elite From the content The Importance of Analysing ECE Elites Forms of Political Elite Formation and Activity Political Elite Fragmentation in ECE Elite Formation and Reproduction in East Central Europe Patterns of Political Elite Behaviour Influencing Political Elite Behaviour Institutional Change after 1989 The Relationship between Europeanisation and Euroscepticism Elite Systems in East Central Europe Case Studies Poland Czech Republic Slovakia Hungary Implications of Elite Attitudes for Europeanisation Political Elites Incapable Europeanisers The Cyprus Question and the EU Andreas Theophanous,2004 **Managing a Multilevel Foreign Policy** Paolo Foradori,Paolo Rosa,Riccardo Scartezzini,2007 Managing a Multilevel Foreign Policy is a helpful resource for enhancing current understanding of the European Union as an emerging actor in the global system Analyzing the role of the EU in international affairs Foradori Rosa and Scartezzini seek to foster understanding of the complexity of the present international conditions and the ways in which the EU is responding to threats and opportunities from the outside world The numerous contributors examine the latest developments in the fields of EU foreign security and defense policies providing a complete overview of the ways in which the EU has grown as a global actor with a significant impact on international affairs European Studies Menno Spiering,2004 Communications ,2008 **European Narratives and Euroscepticism in the Western Balkans and the EU** Manuela Caiani,Benedetta Carlotti,Marko Lovec,Maria Winclawska,Faris Kočan,Adam Balcer,2024-03-26 Moving from a social movement perspective this timely volume examines narratives on Euroscepticism and frames on Europe from below at the party and social movement levels Revealing perspectives from both the Right and the Left it unpacks the emergence re emergence and increase in critical voices and opposition towards Europe Based on extensive fieldwork in two candidate countries for accession to the EU and three member states it offers insight from analysis of focus groups interviews with Eurosceptic and pro European political actors and ordinary citizens together with frame analysis and scrutiny of archival material electoral manifestoes and organisational documents Revealing the development of Eurocritical frames it demonstrates the differences and similarities in narratives used to address Europe and the conceptualisation of Euroscepticism Key cases examined include the rise of illiberalism in post transition Slovenia complex Euroscepticism in Poland the path from strong support to harsh opposition in Italy indecision over membership in North Macedonia anticipating the future while revisiting the past in Bosnia and Herzegovina Offering guidelines for the direction of future research and

policy European Narratives and Euroscepticism in the Western Balkans and the EU is essential reading for scholars and students of political sociology political science European studies and international relations as well as policy makers concerned with trajectories pro and against Europe and the European integration process **Public Policy and the New European Agendas** Fergus Carr, Andrew Massey, 2006 This broad and all encompassing study focuses on Europe's new policy agendas There are two key themes of particular salience for policy makers the enlargement of the EU and the place of Europe in international politics An expansive list of important policy areas within these themes is explored

As recognized, adventure as competently as experience roughly lesson, amusement, as competently as conformity can be gotten by just checking out a book **Euroscepticism Party Politics National Identity And European Integration European Studies** after that it is not directly done, you could consent even more almost this life, approximately the world.

We present you this proper as competently as easy exaggeration to acquire those all. We have the funds for Euroscepticism Party Politics National Identity And European Integration European Studies and numerous book collections from fictions to scientific research in any way. in the midst of them is this Euroscepticism Party Politics National Identity And European Integration European Studies that can be your partner.

Euroscepticism Party Politics National Identity And European Integration European Studies Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The

advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Euroscepticism Party Politics National Identity And European Integration European Studies PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Euroscepticism Party Politics National Identity And European Integration European Studies PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Euroscepticism Party Politics National Identity And European Integration European Studies free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth,

professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Euroscepticism Party Politics National Identity And European Integration European Studies Books

1. Where can I buy Euroscepticism Party Politics National Identity And European Integration European Studies books?
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
