**the Local Church** Michael Green, 1992 **Labouring Side by Side** Eben Kanukayi Nhiwatiwa, 2017-03-15 The ministry of evangelism is at its best when it occurs in and through the local church experienced by members at the local church level Through the local church Christians learn to discern the voice of the Good Shepherd and when they know the voice of the Good Shepherd they easily run away from following the false prophets false spiritual healers and other strange voices African local churches are the best arenas for converts to make their commitment to Jesus Christ and to be nurtured and guided toward Christian maturity when the pastor labours side by side with the members of the congregation enabling the laity to learn what their clergy know about evangelism Christian Discipleship and the Local Church Steve Urick, 2012-11 When a person becomes a Christian the ongoing work of discipleship continues The intake of sound Bible doctrine into the soul is vital in order to grow spiritually strong and mature This is where the crucial role of the local church comes in Every believer needs to be taught by qualified leaders evangelists pastor teachers etc and be ministered to by various other gifted members of the body of Christ Christian Discipleship and the Local Church gives basic knowledge to find a good church discover one s spiritual gift s and advance in the Christian life It also equips Christians with concise and easy to read material to use when doing the life changing work of discipling others It can even be used for church planting or strengthening existing churches
