The Commitment Engine John Jantsch, 2012-10-11 Why are some companies able to generate committed long term customers while others struggle to stay afloat Why do the employees of some organizations fully dedicate themselves while others punch the clock without enthusiasm By studying the ins and outs of companies that enjoy extraordinary loyalty from customers and employees John Jantsch reveals the systematic path to discovering and generating genuine commitment Jantsch's approach is built on three foundational planks which he calls the clarity path the culture patron and the customer promise He draws on his own experiences and shares true stories from businesses like Threadless Evernote and Warby Parker His strategies include these Build your company around a purpose People commit to companies and stories that have a simple straightforward purpose Understand that culture equals brand Build your business as a brand that employees and customers will support Lead by telling great stories You can't attract the right people or get them to commit without telling a story about why you do what you do Treat your staff as your customer A healthy customer community is the natural result of a healthy internal culture Serve customers you respect It's hard to have an authentic relationship with people you don't know like or trust As Jantsch says Have you ever encountered a business where everything felt effortless The experience was perfect and the products people and brand worked together gracefully You made an odd request it was greeted with a smile You went to try a new feature it was right where it should be You walked in sat down and felt right at home Businesses that run so smoothly as to seem self managed aren't normal In fact they are terribly counterintuitive but terribly simple as it turns out As a follow up to *The Referral Engine* this is about more than just establishing leads it's about building a fully alive business that attracts customers for life

The \$100 Startup Chris Guillebeau, 2012-05-08 Lead a life of adventure meaning and purpose and earn a good living Thoughtful funny and

compulsively readable this guide shows how ordinary people can build solid livings with independence and purpose on their own terms Gretchen Rubin author of the 1 New York Times bestseller *The Happiness Project* Still in his early thirties Chris Guillebeau completed a tour of every country on earth and yet he's never held a real job or earned a regular paycheck Rather he has a special genius for turning ideas into income and he uses what he earns both to support his life of adventure and to give back Chris identified 1 500 individuals who have built businesses earning 50 000 or more from a modest investment in many cases 100 or less and focused on the 50 most intriguing case studies In nearly all cases people with no special skills discovered aspects of their personal passions that could be monetized and were able to restructure their lives in ways that gave them greater freedom and fulfillment Here finally distilled into one easy to use guide are the most valuable lessons from those who've learned how to turn what they do into a gateway to self fulfillment It's all about finding the intersection between your expertise even if you don't consider it such and what other people will pay for You don't need an MBA a business plan or even employees All you need is a product or service that springs from what you love to do anyway people willing to pay and a way to get paid Not content to talk in generalities Chris tells you exactly how many dollars his group of unexpected entrepreneurs required to get their projects up and running what these individuals did in the first weeks and months to generate significant cash some of the key mistakes they made along the way and the crucial insights that made the business stick Among Chris's key principles If you're good at one thing you're probably good at something else never teach a man to fish sell him the fish instead and in the battle between planning and action action wins In ancient times people who were dissatisfied with their lives dreamed of finding magic lamps buried treasure or streets paved with gold Today we know that it's up to us to change our lives And the best part is if we change our own life we can help others change theirs This remarkable book will start you on your way [Evernote Essentials Guide \(Boxed Set\)](#) Speedy Publishing,2014-06-13 In this day and age everyone has a seemingly endless number of website passwords to remember but Evernote is a great tool to help you keep everything in an accessible place no matter what computer you are using Many people keep these organized on a flash drive but what if forget it and aren't at home With Evernote no matter what computer you are using you can have access to all of your files including the all important document where you keep your passwords and much more *Evernote Essentials* Bill Gallagher,2015-05-21 The Ultimate Guide for Getting the Best Out of Evernote Have you ever wondered what it's like to have a single place for your career business passions and ideas What if you can have a place for all those along with everything else important in your life for free In today's modern world time passes by in a blur It could be difficult to get ahold of your business plans stressful work fitness routines your shopping list or even your friends birthdays When it's crunch time and you still have all these things swirling inside your head don't expect time to wait for you just because you can't keep up For a life that's moving at the speed of light you will need tools that can keep up as in literally synchronizing in a blink of an eye And this book is all about the easiest fastest and best ways to equip your life with Evernote This book Evernote
