Every Congregation Needs a Little Conflict George W Bullard,2008-02-01 It s no secret that congregations have conflict Anyone who has served as a church leader knows about the friction that can take place within a congregation And too much friction can lead to heated levels of infighting and strife But used properly can conflict really be a positive thing for your church The direct result of George Bullard s twenty five years of work in the area of training congregational and denominational leaders in various strategies to address conflict this book empowers congregations to use conflict to deal with issues in a healthy and productive manner In *Every Congregation Needs a Little Conflict* Bullard guides church leaders in how to use conflict as a positive force for transition and change and how to handle unhealthy conflict that might arise A TCP Leadership Series title *Pursuing the Full Kingdom Potential of Your Congregation* George W Bullard,2005-10-01 Full Kingdom potential says George Bullard is a journey not a destination To reach your full Kingdom potential its pursuit must be your enduring passion and desire Drawing on his more than four decades of experience in congregational leadership Bullard offers not just another process for congregational redevelopment He learns from the past to take congregations on a spiritual journey that is open ended custom made and locally owned His focus is on capacity building in each congregation calling for a narrative approach to futuring in the life of congregations that responds to new things God is seeking to do in and through members of the congregation From the TCP Leadership Series *Pursuing the Full Kingdom Potential of Your Congregation* George W Bullard,2009-08-01 Full Kingdom potential says George Bullard is a journey not a destination To reach your full Kingdom potential its pursuit must be your enduring passion and desire Drawing on his more than four decades of experience in congregational leadership Bullard offers not just another process for congregational redevelopment He learns from the past to take congregations on a spiritual journey that is open ended custom made and locally owned His focus is on capacity building in each congregation calling for a narrative approach to futuring in the life of congregations that responds to new things God is seeking to do in and through members of the congregation From the TCP Leadership Series

Spiritual Dimensions of Team Alan Wright,2010-03-01 Spiritual Dimensions of Team is the primary tool that will help churches become effective team based organizations Teams as dynamic units are important to organizations and this book offers a new and unique approach to creating effective teams By using parables and giving ways to put the insights to work Wright gives you a toolbox of information that can change your church This book brings together in one message a behavioral understanding of team effectiveness specific biblical principles combined with those practices and powerful learning exercises which will move teams from theory to life practice A TCP Leadership Series title **Church Conflict** Norma Cook Everist,2004 You love your work You love the people most of the time They respect you most of the time You work together with colleagues staff and laity with energy and enthusiasm most of the time But then something goes wrong a word spoken in anger a misunderstanding and things turn sour What do you do How do you deal with conflict whether it be

long or short term low or high intensity Conflict is a part of the human predicament yet it need not define or control your ministry This book is designed to help the reader ask certain key questions about the nature and scope of the conflict they are experiencing and based on the answers to those questions move beyond conflict The author lays out the variety of responses to conflict running the gamut from avoidance to accommodation to compromise to collaboration Written with the real needs of congregations in mind this book will serve as a reliable guide to all who wish to move through conflict into a more effective and authentic fulfillment of their calling **Transforming Church Conflict** Deborah van Deusen Hunsinger, Theresa F. Latini, 2013-01-01 Using real world case studies and examples Hunsinger and Latini helpfully guide pastors and lay leaders through effective and compassionate ways to deal with discord **Conflict Management in Congregations** David B. Lott, 2001-05-01 Since its inception the Alban Institute has earned a reputation as a leader in addressing congregational conflict management issues through its research consulting services educational events and particularly its publications Drawing on this rich heritage the first title in our new Harvesting the Learnings anthology series gathers 20 classic Alban works on congregational conflict into a single indispensable volume Conflict Management in Congregations harvests the collected wisdom of many of the key thinkers on this topic including such past and present Alban consultants as Speed Leas George Parsons Margaret Bruehl Gil Rendle Alice Mann and Roy Pneumann Much of the material found here has long been unavailable but is still much in demand Divided into three sections that explore the dynamics of conflict conflict management techniques and dealing with conflict in specific contexts this book serves as a comprehensive primer that no pastor or congregational leader will want to be without **Conflict Management in Congregations** David B. Lott, 2001-05 Since its inception the Alban Institute has earned a reputation as a leader in addressing congregational conflict management issues through its research consulting services educational events and particularly its publications Drawing on this rich heritage the first title in our new Harvesting the Learnings anthology series gathers 20 classic Alban works on congregational conflict into a single indispensable volume Conflict Management in Congregations harvests the collected wisdom of many of the key thinkers on this topic including such past and present Alban consultants as Speed Leas George Parsons Margaret Bruehl Gil Rendle Alice Mann and Roy Pneumann Much of the material found here has long been unavailable but is still much in demand Divided into three sections that explore the dynamics of conflict conflict management techniques and dealing with conflict in specific contexts this book serves as a comprehensive primer that no pastor or congregational leader will want to be without *Moving Your Church through Conflict* Speed B. Leas, 2012-04-29 With this how to manual written for clergy and lay leaders learn exactly what to do when conflict arises Leas highly acclaimed theory of conflict levels spells out appropriate responses Easily applicable concepts and practical strategies **The Gathering Storm: Conflict in the Lord's House** D. D. Nabor Sr, 2019-04-12 Pastors and church leaders struggle with issues of conflict that come suddenly like a storm If not handled prayerfully and quickly members disagree argue grow angry and ultimately

may leave the church taking anger with them to the next pastor and congregation Which could be you It is not if but when the storm clouds will gather that speaks to the impact and reality of church conflict The pastor and leadership must be prepared to deal with church conflict immediately The author believes that it is a great biblical misunderstanding that allows many pastors and congregations to regard church conflict as something to be avoided like the plagues of Egypt Instead church pastors and leadership must see conflict is inevitable and a normal part of congregational life Seen in this way biblical healing and spirit led training can become part of a healthy transformative process strengthening pastors and congregations Church leaders must stop running from conflict and stand fast with prayerful teaching and training plus quick engagement with all parties Peace begins with accepting conflict as an opportunity to move the church congregation closer to God and to each other Since our churches are comprised of all kinds of people our approach to conflict interventions must be based on the needs of all of the people in our congregations and also on the fact that as our brothers and sisters we love them all in the spirit of Christ Today s pastors and church leaders must remember that effective leadership in turbulent times requires prayer training and confidence in the grace and peace of Jesus Christ the only one who has the power to still storms and heal churches

wonder why the church council meetings are so rancorous and your church is mired in unproductive conflict What do you do How should you lead According to Lyon and Moseley conflict is often about ungrieved loss When conflict occurs pastors and other church leaders must know how to be present in the dynamics of grieving loss encouraging space for a new thing to emerge With rich and helpful illustrations this book reveals how leaders can understand group wide dynamics of conflict ground their leadership in the liturgical meanings and rhythms of church life and accompany congregations through potentially destructive realities toward the creative possibilities that conflict can bring Making Peace Jim Van Yperen, 2008-09-01 Conflict abounds in the church of Jesus Christ Reconciliation within the body however will not happen with the right method or set of principles In Making Peace readers are challenged to place their church and all of its dissension under the Lordship of Jesus Christ
