Everything But The Horse:

Everything but the Horse Holly Hobbie, 2010-10-05 This gorgeous resonant tale is a beautiful recollection from Holly Hobbie's own childhood about her love affair with horses. When Holly's family moves from the city to the countryside she is scared of this new world at first but gradually comes to love the animals she encounters. Soon she is drawing the horses in the local pastures obsessively hinting to her parents what she wants more than anything. But will her one wish ever come true?

Everything But the Horse, 2011 Journals of the House of Commons of Canada Canada. Parliament. House of Commons, 1912 *The Breeders' Journal*, 1920 **Manchild in the Promised Land** Claude Brown, 2012-01-03 Manchild in the Promised Land is indeed one of the most remarkable autobiographies of our time. This thinly fictionalized account of Claude Brown's childhood as a hardened streetwise criminal trying to survive the toughest streets of Harlem has been heralded as the definitive account of everyday life for the first generation of African Americans raised in the Northern ghettos of the 1940s and 1950s. When the book was first published in 1965 it was praised for its realistic portrayal of Harlem: the children, young people, hardworking parents, the hustlers, drug dealers, prostitutes, and numbers runners; the police, the violence, sex, and humour. The book continues to resonate generations later not only because of its fierce and dignified anger, not only because the struggles of urban youth are as deeply felt today as they were in Brown's time, but also because the book is affirmative and inspiring. Here is the story about the one who made it: the boy who kept landing on his feet and became a man.
