Field Guide To The Mysterious Places Of Eastern North America:

Field Guide to the Mysterious Places of Eastern North America Salvatore M. Trento, 1997-05-15 A fully illustrated one of a kind guide to the unexplained rocks ruins and phenomena of eastern North America **Method Infinite:**

Freemasonry and the Mormon Restoration Cheryl L. Bruno, Joe Steve Swick III, Nicholas S. Literski, 2022-08-09 While no one thing can entirely explain the rise of The Church of Jesus Christ of Latter day Saints the historical influence of Freemasonry on this religious tradition cannot be refuted Those who study Mormonism have been aware of the impact that Freemasonry had on the founding prophet Joseph Smith during the Nauvoo period but his involvement in Freemasonry was arguably earlier and broader than many modern historians have admitted The fact that the most obvious vestiges of Freemasonry are evident only in the more esoteric aspects of the Mormon faith has made it difficult to recognize let alone fully grasp the relevant issues Even those with both Mormon and Masonic experience may not be versed in the nineteenth century versions of Masonry s rituals legends and practices Without this specialized background it is easy to miss the Masonic significance of numerous early Mormon ordinances scripture and doctrines Method Infinite Freemasonry and the Mormon Restoration offers a fresh perspective on the Masonic thread present in Mormonism from its earliest days Smith s firsthand knowledge of and experience with both Masonry and anti Masonic currents contributed to the theology structure culture tradition history literature and ritual of the religion he founded **Ancient Stone Sites of New England and the**

Debate Over Early European Exploration, 2d ed. David Goudsward, 2023-10-06 In New England today there are megalithic stones stone chambers and structures carvings and petroglyphs even an unidentified skeleton in armor that defy easy explanation From Maine to Massachusetts this work examines various unexplained historical remains in New England exploring not only the layout and dimensions of such sites some reminiscent of Stonehenge with their huge stones astronomical alignments and undiscovered purposes but also the history and possible explanations for their existence Theories regarding Norse Phoenician Irish Celtic and Native American origins are presented here in an impartial and logical manner Sites discussed include Dighton Rock in Berkley Massachusetts Newport Tower in Newport Rhode Island the Bellows Falls Petroglyphs in Bellows Falls Vermont and Mystery Hill in North Salem New Hampshire also known as America s Stonehenge with expanded coverage new to this edition [Merlin and the Discovery of Avalon in the New World](#) Graham Phillips, 2005-10-12 The first book to present the true identity of the mythic figure Merlin Uncovers historical evidence that the legend of Merlin was based on the life of a real man Reveals that Avalon Merlin s final resting place was an island in the United States The legendary figure Merlin is known throughout the world as the wizard of Camelot who was counselor to King Arthur and helped that monarch create the Round Table Through the course of a 20 year investigation Graham Phillips has uncovered evidence that this famous story was based on the life of an actual historical figure the son of a Roman consul who became the last of the Romans to rule Britain in the fifth century A D Furthermore the evidence reveals that he died and

was buried in what is now the United States According to legend Merlin ended his life on the mystical island of Avalon A 1500 year old saga tells how Merlin left Britain on a boat bound for a mysterious island to the west The places described in Merlin s voyage Phillips argues would only have been seen by someone who had journeyed to the New World For example the island where boiling fountains bubble from the ground could be the geysers of Iceland and the island with rivers of ice the glaciers of Greenland During his research Phillips discovered that a site believed to be Merlin s grave was found by the first British settlers in North America a secret location said to have been preserved in the works of William Shakespeare and the coded writings of the Freemasons Phillips follows a trail of historical clues that leads ultimately to a mysterious New England tomb Here a final encrypted message not only reveals the whereabouts of Merlin s grave but contains evidence that Merlin s descendants still survive and through a merger with the Spencer family of Princess Diana may once again ascend the British throne
