Coach Wooden's Greatest Secret Pat Williams, Jim Denney, 2014-02-04 At the first practice of each season legendary coach John Wooden taught his players how to put on their socks and shoes a very particular way When asked about this he replied The little things matter All I need is one little wrinkle in one sock to put a blister on one foot and it could ruin my whole season I started teaching about shoes and socks early in my career and I saw that it really did cut down on blisters during the season That little detail gave us an edge Coach Wooden knew the long term impact of little things done well Now Pat Williams takes Coach Wooden's lesson along with stories of people whose lives have exemplified the importance of little things done well and shows readers how the small things one does or doesn't do drastically affect one's integrity reputation health career faith and success People who want to do their best in life family work and faith will benefit from this entertaining and inspirational book *Orange Coast Magazine*, 2007-12 Orange Coast Magazine is the oldest continuously published lifestyle magazine in the region bringing together Orange County's most affluent coastal communities through smart fun and timely editorial content as well as compelling photographs and design Each issue features an award winning blend of celebrity and newsmaker profiles service journalism and authoritative articles on dining fashion home design and travel As Orange County's only paid subscription lifestyle magazine with circulation figures guaranteed by the Audit Bureau of Circulation Orange Coast is the definitive guidebook into the county's luxe lifestyle

No Ordinary Joe Michael O'Brien, 1999-07-30 Author Michael O'Brien authoritatively paints the consummate Paterno portrait the result of more than ten years of work that included 137 interviews and study of 150 previously published works Paperback includes an epilogue that reviews the 1998 season in which Paterno won his landmark 300th career victory *One Town, One Team* Bruce Bertrand, 2023-01-26 When third year football coach Sherm Blaser walked into his first team meeting for the upcoming season he asked the team what their team goal should be for the upcoming season The first hand that went up was that of senior defensive lineman Benten Hall who suggested a winning season would be an appropriate team goal A winning season might not seem like a lofty goal but it is certainly a practical one The previous year the Kavemen did go 5-4 but finished sixth in conference play and did not make the playoffs Benten's sophomore and freshman years those varsity teams went a combined 7-12 In fact since Benten and his fellow seniors on the team started the first grade eleven years ago the Kuna football teams have a combined record of forty three wins and sixty two losses The football program has not won a conference championship since 1998 and has won just one playoff game this century Blaser was not seen as the savior of this program when he was hired two years before Before coming to Kuna his record was 15-21 at two previous schools In his two previous years on the Kuna campus his record was only 8-10 So how could this team led by this coach make it all the way to the state championship game Fortunately for me my son Ryan who was starting his fourth season as part of Sherm Blaser's coaching staff and was living with me as he was finishing his master's program in psychology so I had a front row seat to this
