Fifteen Fortunes An Octogenarian Reflects On Life As An Entrepreneur:

Fifteen Fortunes Robert Elmen, 2015-09-24 In order to achieve long term success it is important not to stop after your first fortune or failure but to use what you learn from your triumphs and mistakes and keep going Bob Elmen author of *Fifteen Fortunes An Octogenarian Reflects on Life as an Entrepreneur* As a young boy growing up in the Midwest during the Great Depression Robert Elmen contributed to his family's meager income by growing tomatoes in a community garden and delivering them in his wagon to a local grocery store and a hospital kitchen As the only supplier in town who replaced spoiled tomatoes on a daily basis he quickly gained a reputation as a reliable and enterprising young businessman In *Fifteen Fortunes* this feisty octogenarian looks back over a long and productive career in the equipment rental business and conveys his own brand of wisdom in narratives on a variety of topics such as risk luck hard work and wealth He also describes how the hardscrabble work ethic of his Scandinavian ancestors along with the financial insecurity of his childhood motivated him to become an entrepreneur In letters he wrote to his wife Rita more than sixty years ago Elmen not only professes his love for her but also invites her to be part of the entrepreneurial vision he would later realize And in a much more recent letter to his grandchildren he shares some of the fundamentals of investing that a favorite uncle taught him long ago A number of activities outside the realm of business have inspired Elmen's successful philosophy His time as an officer in the US Navy during the Korean War served as an entrepreneurial training ground giving him the chance to test an early equipment rental business model in California that would later be adapted and replicated in multiple locations throughout the Midwest And offering proof positive that pursuits outside of business can inspire innovative thinking Elmen credits the boy scouting experiences of his youth and his life long passion for the outdoors for nurturing the adventurous spirit that helped him succeed as an entrepreneur Regardless of whether the topic of discussion is business or fly fishing Robert Elmen's approach to life is passionate principled and inventive In *Fifteen Fortunes* his writing debut at eighty five years of age he pens a book as enlightening as it is entertaining
