Fifty Key Contemporary Thinkers From Structuralism To Post Humanism Routledge Key Guides:

Fifty Key Contemporary Thinkers John Lechte, 2008 This revised second edition from our bestselling Key Guides includes brand new entries on some of the most influential thinkers of the twentieth and twenty first century Zizek Bergson Husserl Heidegger Butler and Haraway With a new introduction by the author sections on phenomenology and the post human full cross referencing and up to date guides to major primary and secondary texts this is an essential resource to contemporary critical thought for undergraduates and the interested reader **Literary Research and British**

Postmodernism Bridgit McCafferty, Arianne Hartsell-Gundy, 2015-09-02 Literary Research and British Postmodernism is a guide for scholars that aims to connect the complex relationships between print and multimedia technological advancements and the influence of critical theory that converge in postwar British literature This era is unique in that strict boundaries between fiction nonfiction multimedia and print are not useful Postmodern literature is defined by the breaking down of boundaries as a reaction to modernism and requires an innovative multifaceted approach to research In this guide the authors explore these complex relationships and offer strategies for researching this new period of literature This book takes a holistic approach to postmodern literature that recognizes the way in which digital media film critical theory popular music and more traditional print sources are inextricably linked Through this approach the authors present a broad view of postmodernism that includes a wide variety of British authors writing in the last half of the twentieth century The book's definition of postmodern includes any British literature following World War II that engages issues central to postmodern theory including the social construction of gender sexuality and power the subjectivity of truth technology as a social force intertextuality metafiction post colonial narrative and fantasy This guide aims to aid researchers of postwar British literature by defining best practices for scholars conducting research in a period so broadly varied in the way it defines literature **A Complete Guide to Literary Analysis and Theory** Michael Ryan, 2022-11-25 A Complete Guide to Literary Analysis and Theory offers an accessible introduction to all the current approaches to literary analysis Ranging from stylistics and historicism to post humanism and new materialism it also includes chapters on media studies and screen studies The Guide is designed for use in introductory literature courses and as a primer in theory courses Each chapter summarizes the main ideas of each approach to the study of literature in clear prose providing lucid introductions to the practice of each school and conducts readings using classic and modern works of literature from around the world The book draws on examples from a wide range of works from classics such as F Scott Fitzgerald's *The Great Gatsby* and Shakespeare's *King Lear* to contemporary works such as Ocean Vuong's *On Earth We're Briefly Gorgeous* and Amanda Gorman's *The Hill We Climb* This wide ranging introduction is ideal for students encountering literary study for the first time as well as more advanced students who need a concise summary of critical methods It strives to make complex ideas simple and provides readings that undergraduates should be able to understand and enjoy as well as training them to conduct analyses of their own **The Winchester**

Guide to Keywords and Concepts for International Students in Art, Media and Design Annie Makhoul, Simon Morley, 2014-09-15 This welcome new resource for international students in art design and media provides clear explanations of the terminology they must master in order to fulfill their academic potential and enrich their professional careers Offers a much requested new resource that fills a gap in the academic market Tailored specifically to the needs of international students in art design and media Color coded key words and phrases for quick reference Includes sections on study skills academic expectations in Western institutions methodologies and important theorists An ideal handbook for curators and gallery staff everywhere for whom English is a non native language **Dear Science and Other Stories** Katherine McKittrick, 2020-12-14 In Dear Science and Other Stories Katherine McKittrick presents a creative and rigorous study of black and anticolonial methodologies Drawing on black studies studies of race cultural geography and black feminism as well as a mix of methods citational practices and theoretical frameworks she positions black storytelling and stories as strategies of invention and collaboration She analyzes a number of texts from intellectuals and artists ranging from Sylvia Wynter to the electronica band Drexciya to explore how narratives of imprecision and relationality interrupt knowledge systems that seek to observe index know and discipline blackness Throughout McKittrick offers curiosity wonder citations numbers playlists friendship poetry inquiry song grooves and anticolonial chronologies as interdisciplinary codes that entwine with the academic form Suggesting that black life and black livingness are in themselves rebellious methodologies McKittrick imagines without totally disclosing the ways in which black intellectuals invent ways of living outside prevailing knowledge systems **Thinking of Questions** Peter Limm, 2015-09-23 This is not a conventional book It is designed to stimulate and challenge all people who are curious to find out about the world they inhabit and their place within it It does this by suggesting questions and lines of questioning on a wide range of topics The book does not provide answers or model arguments but prompts people to create their own questions and a reading log or journal To this end almost all questions have a list of books or articles to provide a starter for stimulating further reading Once you start you will be hooked Never stop questioning **Black Shakespeare** Ian Smith, 2022-09-29 In his compelling new book Ian Smith addresses the pernicious influence of systemic whiteness on our interpretation of Shakespeare's plays Unmissable reading for students and scholars of drama cultural and early modern studies **Children and the Ethics of Creativity** Victoria Jane Hargraves, 2020-08-26 This book presents a critical reimagining of education and educational research in addressing practices of representation and their relation to epistemology subjectivity and ontology in the context of early childhood education Drawing on posthumanist perspectives and the immanent materialism of Deleuze Guattari to conceive of early childhood education childhood and indeed adult life in new ways it highlights the powerful role of language in subjectivity and ontology and introduces affectivity as a concept which can be put to work to undo habitual relations and meanings It proposes that ethical becomings require the engagement of an expansion and intensification of a body's affect or capacity

and offers readers a provocation for enhancing creative capacity as an ethic This book is an important contribution to the discussions on methods for living and of ways of thinking commensurate with the orientation of a posthuman turn **Xcp**,2007 *Arte-polis 3 International Conference* ,2010 The Cumulative Book Index ,1996 A world list of books in the English language *Subject Guide to Books in Print* ,1993 **The British National Bibliography** Arthur James Wells,1994 **Forthcoming Books** Rose Army,1994 Key Thinkers from Critical Theory to Post-Marxism Simon Tormey,Jules Townshend,2006-07-07 Tormey and Townshend have succeeded not only in making accessible the notoriously evasive ideas of Post Marxist thinkers they have begun the vital work of critically examining their contribution to Marx s project of overcoming capitalism James Martin Goldsmiths University of London Excellent textbook critical challenging and thoroughly engaging Richard White Sheffield Hallam University In language which is clear without being simplistic Tormey and Townshend help readers think about ways to live with and without Marx in the wake of Marxism s historical failures as well as its continuing relevance to life under globalizing capitalism Mark Rupert Syracuse University Key Thinkers in Critical Theory to Post Marxism is a comprehensive introduction to perhaps the most key intellectual trend in contemporary critical theory In jargon free language it seeks to unpack explain and review many of the key figures behind the rethinking of the legacy of Marxism in theory and practice Key thinkers covered include Cornelius Castoriadis Jean Francois Lyotard Deleuze and Guattari Laclau and Mouffe Agnes Heller Jacques Derrida J rgen Habermas and post Marxist feminism Each chapter covers a key thinker or contribution and thus can be read as a stand alone introduction to the principal aspects of their approach Each chapter is followed by a summary of key points with a guide to further reading Underlying the text is also the central question What is Post Marxism Instead of viewing Post Marxism as an ideology movement or tradition of theorizing the authors advocate Post Marxism as a loose appellation describing those who have problematised Marx s approach to understanding and challenging contemporary capitalism As such the book also offers an engaging commentary on some of the key political developments of our time including for example the anti globalisation movement Key Thinkers in Critical Theory to Post Marxism provides an ideal introduction to a hitherto complex subject and will be essential reading for students of contemporary social and political inquiry *Fredric Jameson* Sean Homer,2013-04-23 This is the first comprehensive analysis of the work of Fredric Jameson one of the most important cultural critics writing today Homer provides a clear exposition and appraisal of Jameson s theories and an assessment of his contribution to contemporary cultural theory
