Adaptation in the Age of Media Convergence Johannes Fehrle, Werner Schäfke-Zell, 2025-10-01 This collection considers new phenomena emerging in a convergence environment from the perspective of adaptation studies The contributions take the most prominent methods within the field to offer reconsiderations of theoretical concepts and practices in participatory culture transmedia franchises and new media adaptations The authors discuss phenomena ranging from mash ups of novels and YouTube cover songs to negotiations of authorial control and interpretative authority between media producers and fan communities to perspectives on the fictional and legal framework of brands and franchises In this fashion the collection expands the horizons of both adaptation and transmedia studies and provides reassessments of frequently discussed BBC s Sherlock or the LEGO franchise and previously largely ignored phenomena self censorship in transnational franchises mash up novels or YouTube cover videos **Media Today** Joseph Turow, 2016-10-04 Media Today uses convergence as a lens that puts students at the center of the profound changes in the 21st century media world Through the convergence lens they learn to think critically about the role of media today and what these changes mean for their lives presently and in the future The book s media systems approach helps students to look carefully at how media content is created distributed and exhibited in the new world that the digital revolution has created From newspapers to video games and social networking to mobile platforms Media Today prepares students to live in the digital world of media **Ecopiety** Sarah McFarland Taylor, 2019-11-12 Tackles a human problem we all share the fate of the earth and our role in its future Confident that your personal good deeds of environmental virtue will save the earth The stories we encounter about the environment in popular culture too often promote an imagined moral economy assuring us that tiny acts of voluntary personal piety such as recycling a coffee cup or purchasing green consumer items can offset our destructive habits No need to make any fundamental structural changes The trick is simply for the consumer to buy the right things and shop our way to a greener future It s time for a reality check Ecopiety offers an absorbing examination of the intersections of environmental sensibilities contemporary expressions of piety and devotion and American popular culture Ranging from portrayals of environmental sin and virtue such as the eco pious depiction of Christian Grey in Fifty Shades of Grey to the green capitalism found in the world of mobile device carbon sin tracking software applications to the socially conscious vegetarian vampires in True Blood the volume illuminates the work pop culture performs as both a mirror and an engine for the greening of American spiritual and ethical commitments Taylor makes the case that it is not through a framework of grim duty or obligation but through one of play and delight that we may move environmental ideals into substantive action Online Access ,1996 Marketing Robert W. Palmatier, Andrew Crecelius, 2025-02-20 An introduction to marketing theory and practice based around Palmatier s acclaimed first principles this textbook provides a global perspective and an abundance of engaging case studies Palmatier's four principles all customers differ all customers change all competitors react all resources are limited provide a framework

for understanding the diverse and idiosyncratic world of modern marketing Whether offline or digital B2C or B2B products or services domestic or international the same principles apply This textbook dives headfirst into marketing controversies Unique learning features Marketing Fail and Shades of Grey capture the messy reality of the business world and encourage students to reflect critically on both sides of a debate A focus on application means that a large share of the text is devoted to case studies featuring contemporary organisations such as Beyond Meat Zoom IKEA and the World Health Organization The perfect textbook for introductory modules on the essentials of marketing Marketing Based on First Principles provides a unique and dynamic approach allowing students to develop effective and flexible methods to deal with diverse and complex problems of marketing today Writing the Shadow Joanna Penn, 2023-12-22 Do you want to connect with readers on a deeper level Do you want your books to stand out in a sea of content by being authentic and personal in your writing whatever the genre Are you interested in creative self development If yes Writing the Shadow is for you This is a book of my heart and it contains many personal stories but this book is really about helping you reach readers with your words and move to the next level in your writing Because we all long to write boldly without filters or fear To spin stories that capture the messy beauty of what it means to be human Tales that lay bare the truth of living darkness and all But something holds us back Whispers of Who do you think you are and You don't have permission to write that Our own self censorship and the judgment of others keep us from writing freely and sometimes from living fully But all great art taps into darkness and your most compelling work emerges when you embrace your full humanity both light and Shadow In Writing the Shadow I ll guide you on an intimate journey to explore the darkness and discover the gold lying hidden in its depths Gold that may be the source of your best creative work in the years ahead The Shadow is calling It s time to turn your inner darkness into words Part 1 goes into the various ways you can tap into your Shadow Since it lies in the unconscious you cannot approach it directly You need tools to help reveal it in different ways You will find ideas here ranging from personality assessments and identifying Shadow personas to mining your own writing and exploring your true curiosity as well as ways to protect yourself so you don't get lost in the dark Part 2 explores how the Shadow manifests in various aspects of our lives I discuss the creative wound and how it may still be holding you back in your writing life as well as aspects of traditional and self publishing then expand into work and money family and relationships religion and culture the physical body and aging death and dying Part 3 explores ways that you can find the gold in your Shadow and turn your inner darkness into words through self acceptance letting go of self censorship deepening character and theme in your work and opening the doors to new parts of yourself While the book is designed to be read in order you can also skip directly to the sections that resonate the most There are Resources and Questions at the end of every chapter that will help you reflect along the way You can answer them in your own journal or use the Companion Workbook if you prefer to write in a more structured way Fifty Shades Of Grey E L James, 2012-04-03 And in this quiet moment as I close my eyes spent and sated I think I m in the eye of the storm And in
