Armentrout writing as J. Lynn Sophia Bleu Lisa Desrochers Cole Gibsen A. L. Jackson Sophie Jordan Melissa Landers Lauren Layne Roni Loren Molly McAdams Myra McEntire Hannah Moskowitz Lyla Payne Mark Perini Carrie Ryan Andrew Shaffer Alessandra Thomas and Tracy Wolff *Halfway Perfect* Julie Cross, Mark Perini, 2015-05-05 Bestselling author Julie Cross teams up with Ford model Mark Perini to pen a poignant and gritty YA novel about love and the dark side of modeling and the fashion industry Eve had it all emphasis on had She was a rising star with a modeling contract destined to catapult her to celebrity until the devastating night when she walked away from everything everyone in her life Eve's worked hard to put her troubled past behind her and photography's given her a fresh start She just never thought her dream internship would force her back into the industry that broke her trust and her heart Alex is a regular good guy from Nebraska but as an up and coming model he's learning that appearances are everything The fake relationship Alex's agent concocted for Alex and his underage costar That'll land them both the hot jobs But Alex hadn't counted on falling for Eve the girl behind the camera With careers and love on the line Eve and Alex are about to prove you may want what you can't have but sometimes it's worth the risk Alliance Trisha Leigh, 2015-01-17 Whispers in Autumn Trisha Leigh, 2012-07-23 In 2015 a race of alien Others conquered Earth They enslaved humanity not by force but through an aggressive mind control that turned people into contented unquestioning robots Except sixteen year old Althea isn't content at all and she doesn't need the mysterious note inside her locket to tell her she's Something Else It also warns her to trust no one so she hides the pieces that make her different even though it means being alone The autumn she meets Lucas everything changes Althea and Lucas are immune to the alien mind control and together they search for the reason why What they uncover is a stunning truth the Others never anticipated one with the potential to free the brainwashed human race It's not who they are that makes them special but what And what they are is a threat One the Others are determined to eliminate for good **Winter Omens** Trisha Leigh, 2012-09-25 Althea and Lucas barely escaped the Others clutches in the autumn and were separated in the process Alone and on the run from the cruel alien race determined to exterminate her Althea struggles to adapt and survive in a world she never imagined When a boy named Pax appears out of nowhere he quickly recognizes Althea for what she is a human Other hybrid just like him Althea begs him to help her find Lucas but Pax refuses intent on following his own mysterious agenda The Others' presence continues to devour the planet's resources and if history is an indication they won't leave until Earth is destroyed beyond repair Althea and Pax sense the only way to save themselves and maybe their home is to understand the powers simmering inside them Together they push the limits of their capabilities in the quiet Wilds but are soon confronted with a terrifying fact no place is safe from the relentless

pursuit of the Others Least of all their own minds **Buried** Trisha Leigh, 2016-01-09 Gypsy and her friends may still be reeling from the information overload after learning more about who they are not to mention the losses they sustained but between the government the Olders and the Siphons they have little time to rest After the Siphons force Pollyanna to commit a horrific crime on live television the Cavies know they have to focus on not only getting her back but by bringing the group of rogues to justice once and for all The deeper they get into the world of experiments and government conspiracies the clearer it is that there s no one to trust but themselves any maybe they can t even trust that anymore With their talents developing their relationships changing and millions of lives hanging in the balance can the Cavies find a way to convince the world that they re more than what s been done to them If they can t they ll be the ones who will spend their lives locked in padded cells and the truth will be buried with them Summer Ruins Trisha Leigh, 2013-02-18 A final battle for the survival of Earth is coming Between the alien Others and the destruction of humanity stand four Dissidents When the Prime Other banishes them to the Harvest Site to live the remainder of their time on earth as slaves the Dissidents use the opportunity to learn more about the substance that keeps the Others alive and how they might use it to their advantage But the Others guard their secrets well and the Prime Other has proven his willingness to do whatever s necessary to secure a future for his race no matter what or who is destroyed in the process When Althea and the boys realize their lives could be the key to allowing another planet to suffer the same fate as earth they promise they ll die before they let that happen If they can t figure out how to turn the tables in their favor before the Summer Celebration they might have to do just that The end draws near and there s only one question left are the Dissidents going to save their chosen people or perish alongside them

Betrays in Spring Trisha Leigh, 2012-12-11 Althea assumes now that she Pax and Lucas are reunited in spring that the next steps are obvious locate Deshi and prepare to take down the Others once and for all But she doesn t expect the subtle changes in Lucas After being left alone last season with only his Element father for company Lucas has started to question whether their rightful place isn t with the strange alien race as opposed to humanity When an emergency forces Lucas to aid the Others so they can remain on Earth Althea worries that she s lost him once and for all The one thing she knows is that Deshi s the key to any hope of reclaiming the planet So as the Others gut their already wobbly support system Althea and Pax gather together the beginnings of a plan and maybe an army Even if she can convince Lucas their side is the right one the Prime Other holds Deshi captive and shrouds any knowledge about their fourth in clouds of secrecy What they discover deep underground is a roadblock they didn t expect and one that could steal their last hope of saving humanity *Illinois Reading Council Journal* ,2016 The Churchman ,1916 *Children's Writer's and Illustrator's Market, 1991* Writer's Digest Books,1991 This annual brings together the two key aspects of children s from pre schoolers through teenagers publishing the writing and the illustrating in one handy volume of book publishing and magazine markets Writers and illustrators will find helpful articles to help them market their work in this lucrative field The Publishers Weekly ,1924 **2004**
