The Pinocchio Factor Sophronia Belle Lyon, Oliver Twist attends a costume ball that ends with parliamentary candidate Trevor Newsome disappearing days before the election Pinocchio the Blue Fairy and Puss in Boots occupy a Swiss castle where immortality may lie hidden When Long John Silver arrives Oliver has to do some fast thinking to protect more than just his own life from the pirate who says he only cares about rescuing his daughter Twist Look out I spun and swung wildly as the crack of a Colt revolver split the air Sluefoot Sue had both her firearms out and was shooting at something below me To my astonishment tentacles rose out of the Thames and wrapped themselves around the Catfish Each time one of Sue s bullets struck them they disappeared under the water again but when she paused to reload they re emerged and began to reach for me climbing the Catfish sub I hastily winched myself over toward the dock but a

tentacle grabbed hold of my leg just as I started to set myself down It flung me down on the dock and started dragging me to the edge Hey boss lady Dobbs Sue s assistant hollered out from inside the workshop I was just able to see a pump action shotgun cartwheel through the air and land in Sue s gloved hands Just before it began to blast me deaf I realized that it was in fact no ordinary shotgun rather had some sort of gattling action and a bit more I hoped I would get a better look at it rather than end up 20 000 leagues under in some sea monster s maw

The Gender Conversation Edwina Murphy, David Ian Starling, 2016-05-13 Conversations about gender both inside and outside the church can frequently degenerate into stale and rancorous disputes in which predictable arguments are traded back and forth or fade awkwardly away into the tense silences of mutual misunderstanding But the issue is an important one and calls for a better conversation than either of those alternatives In September 2015 Morling College hosted a one day symposium entitled The Gender Conversation A rich and diverse mix of contributors met to discuss issues of gender theology and Christian living within a shared framework of evangelical conviction Our aim in hosting the symposium was to deepen mutual understanding and respect highlight common ground clarify points of difference and unite us all in a quest to learn from the Scriptures and live in the light of the gospel This book brings together the papers presented at the symposium and the contributors responses to one another as a resource for further reflection and discussion

Venus and Virtue Jerry L. Walls, Jeremy Neill, David J. Baggett, 2018-01-30 Venus and Virtue are a match made in heaven While popular culture often tends to think of Christianity as negative about sexuality and sexual pleasure the fact is that Christians have the best of reasons to joyfully celebrate sex as a gift Unfortunately there is as much confusion about sex in Christian circles as there is in the culture at large The authors of this book believe that this confusion can only be adequately addressed by drawing from the deep wells of biblical truth and traditional theology The writers however are not only experts in biblical scholarship theology and philosophy but also pastoral ministry counseling pop culture criticism and women s issues This book is not sexy in the typical sense of that word but by situating sexuality within the cosmic drama of biblical revelation the true beauty and goodness of sex most clearly emerges And as that beauty emerges we can begin to see why Christian morality not only makes profound sense but also why it positively enriches the meaning of sex in ways that far outstrip the sexy secular alternative
