**The Case for Fanfiction** Ashley J. Barner, 2017-08-07 Challenging readers to rethink what they read and why the author questions the aesthetic assumptions that have led to the devaluing of fanfiction a genre criticized as both tasteless and derivative and other guilty pleasure reading and writing including romance and fantasy The complicated relationship between fanfic and intellectual property rights is discussed in light of the millennia old tradition of derivative literature before modern copyright law established originality as the hallmark of great fiction Absorbed reading the practice of immersing oneself in the narrative versus critically reading from a distance is a strong motive for the appropriation by fanfiction of canon characters and worlds Media Today Joseph Turow, 2016-10-04 Media Today uses convergence as a

lens that puts students at the center of the profound changes in the 21st century media world Through the convergence lens they learn to think critically about the role of media today and what these changes mean for their lives presently and in the future The book's media systems approach helps students to look carefully at how media content is created distributed and exhibited in the new world that the digital revolution has created From newspapers to video games and social networking to mobile platforms Media Today prepares students to live in the digital world of media *Fundamentals of Collection*

Sprott, 2013-12-05 Writing Historical Fiction A Writers Artists Companion is an invaluable companion for a writer working in this challenging and popular literary genre whether your period is Ancient Rome or World War II PART 1 includes reflections on the genre and provides a short history of historical fiction PART 2 contains guest contributions from Margaret Atwood Ian Beck Madison Smartt Bell Ronan Bennett Vanora Bennett Tracy Chevalier Lindsay Clarke Elizabeth Cook Anne Doughty Sarah Dunant Michel Faber Margaret George Philippa Gregory Katharine McMahon Valerio Massimo Manfredi Hilary Mantel Alan Massie Ian Mortimer Kate Mosse Charles Palliser Orhan Pamuk Edward Rutherfurd Manda Scott Adam Thorpe Stella Tillyard Rose Tremain Alison Weir and Louisa Young PART 3 offers practical exercises and advice on such topics as research plots and characters mastering authentic but accessible dialogue and navigating the world of agents and publishers

Educating Young People About Pornography Vanessa Rogers, 2022-06-21 At a time when pornography is more accessible than ever and many young people are inadvisably turning to pornography to learn about sex and relationships this book explores what pornography is the politics behind pornography how it can affect both sexual and non sexual relationships and the effects of pornography on mental health The book also covers the important wider topics of the making and sharing of inappropriate images and over exposure to porn contributing to what is becoming known as rape culture It includes full lesson plans activities photocopiable materials and clear information on how to implement the programme including outlines

for staff CPD sessions and parent workshops This book will be vital for PSHE teachers senior leadership teams pastoral care teams school counsellors youth workers school nurses and anyone who might be involved in sex education provision for young people

**Literature and Social Media** Bronwen Thomas,2020-01-31 From Instapoetry to BookTube contemporary literary cultures and practices are increasingly intertwined with social media In this lively and wide ranging study Bronwen Thomas explores how social media provides new ways of connecting with and rediscovering established literary works and authors while also facilitating the emergence of unique and distinctive forms of creative expression The book takes a 360 approach to the subject combining analysis of current forms and practices with an examination of how social media fosters ongoing collaborative discourse amongst both informal and formal literary networks and demonstrating how the participatory practices of social media have the potential to radically transform how literature is produced shared and circulated The first study of its kind to focus specifically on social media Literature and Social Media provides a timely and engaging account of the state of the art while interrogating the rhetoric that so often accompanies discussion of the new in this context
