Fighting The Good Fight One Familys Struggle Against Adolescent Alcoholism:

Fighting the Good Fight Victoria C. G. Greenleaf, 2002 Examines the problem of adolescent alcoholism and its devastating effects on parents and families through the personal experiences of one family *The Remington Registry of Outstanding Professionals 2011-2012* J Alex Ficarra, 2012-09-11 Undoubtedly growing up during the Vietnam War water gate and gas shortages can have a profound effect on a child Also being the son of immigrant parents most certainly can lead to a traumatizing clash of cultures and the understanding of right and wrong With that being said the Remington Company gave me the honor of a lifetime by letting me express my thoughts in unison with telling the brilliant stories of professionals around the world As I wrote endlessly 24 hours a day I realized that our world is full of hope and real promise I realized that it wasnt about war ideology and the pursuit of global domination I realized that in the pages of this great book great things were about to happen if only these stories can be made public I realized that I had the opportunity of a lifetime by expressing the Humanitarian attributes that these professionals continually made After many years of writing I realized that the Remington Company had a distinct and noble purpose and perhaps we could not change the present but we could certainly try to change our future With that we created our Mentorship Program which gets these prolific stories out to the children We wrote the stories with zest but never crossed the line of respect or dignity We wished to capture the hearts of our audience and prove to them that giving was not an option but more so our duty as life forms on our planet Today our book has a theme Inspiring the youth of America This theme was our way of telling the world Lets hold hands and prepare our children for a better life today I continue to write for the Registry My life has irrevocably changed for the better I volunteer for any thing all the time I enjoy moments of quiet and the appreciation of our environment I read these biographies in amazement as everyone else does and it never seems to get uneventful Either way I sincerely hope you enjoy these biographies and use them to strengthen your spirit and confidence about our existence as a species on this planet I patiently wait for divine intervention in order to write my next biography and am happy to serve the brilliant members of the Remington Registry of Outstanding Professionals [The Remington Registry of Outstanding Professionals](#) Remington Registry, 2011-04-26 *Inspiring the Youth of America by Remington Registry* J. Alex Ficarra, 2013-09 Here at Remington it has become clearly evident that mediocrity wasnot a path chosen by anyone in this book It has also become vividly apparent that humanitarian contribution was a common theme in the lives of many of these professionals and as a company we made it our primary objective to recognize those contributions first and foremost Although the foundation of our company is based on networking and mutual collaboration we felt it was our moral obligation to assist in any way we can the professionals who demonstrated extreme self sacrifice and compassion for others We would also like to mention that our staff went to great personal length to get the fine details of each and every person in this book We pride ourselves in offering much more than a registry and a basic summary of each professional We encourage you the reader to immerse yourself in the lives of others

Experience the joy pain adversity fear and heroism of some of the most brilliant professionals on our planet Speaking for myself and the staff of the Remington Registry of Outstanding Professionals we hope you enjoy reading our book and it is our sincere desire that you draw inspiration from it and use it as a tool when relentlessly pursuing your dreams
