## **European Identity Its Feasibility And Desirability:**

**European Identity** Kenneth Keulman, Agnes Katalin Koós, 2014-08-20 The further evolution of the European Union is mainly dependent on how its citizens relate to their fellow Europeans speaking a score of languages and belonging to a variety of cultures This book addresses the question of whether a new sense of collective self identification labeled European identity a special form of socio territorial identities is emerging Collective identities are works in progress they entail a salient strategic activist and future oriented dimension Divergent strategic goals of the constituent groups induce a perpetual contestation and negotiation of the group identity a process that in the case of the EU is intensified by the continuously changing boundaries and institutional structure of the super polity To confront these challenges this book has a double focus The first part weighs in on the feasibility of a European identity in light of what the two main paradigms in the field primordialism and constructivism can predict The second part maps the social forces that are either favorable or inimical to the creation of a common social identity on the continent Both parts develop hypotheses about the processes we witness and test them with the available empirical data Part II distinguishes between passive and active supporters of the integration project besides the Euroskeptic segment of the public Provision of public goods by regional integration is believed to explain passive permissiveness while the main impetus for integration comes from those who may reap above average benefits from it This book contends that the groups of active supporters have historically been changing within the Union namely the political Left and Right are changing their roles in negotiating future developments Yet the evolution of the EU is also shaped by the solutions adopted to accommodate ethnic and cultural diversity The empirical tests involve opinion survey data taken from the Eurobarometer series World Value and European Social Surveys and the International Social Survey Programme expert ratings as well as party elite documents from the Manifesto Project Database [Understanding the European Union](#) John McCormick, 2020-11-13 This is the must have leading introduction to the European Union Offering an ideal primer on the EU s history institutions and politics this concise textbook also covers the various challenges and opportunities faced by the EU from the democratic deficit and the potential of future enlargement to the spread of nationalism and crises such as Brexit and the impact of the global pandemic Understanding the European Union is now more crucial than ever and this text provides a succinct but nuanced account of its development and how it works This book will be the ideal guide for all undergraduate and postgraduate courses in political science global affairs and European Studies It is also a suitable starting point for anyone seeking to learn more about the EU New to this Edition A number of key themes and issues run throughout the book including past and ongoing crises facing the EU the EU s place within the broader international system a focus on the EU s comparative political social and economic context the confederal qualities of the EU and Brexit Addresses the early impact of the global pandemic on the EU Greater use of maps figures tables and boxes where useful to inform the analysis accompanied by up to date further reading Informed throughout by sophisticated yet accessible treatment of theory including

post functionalism and critical perspectives Cutting edge coverage of Brexit and negotiations around withdrawal

**European Union Politics** John McCormick, 2020-05-10 Cutting through the jargon of EU politics the third edition of this engaging and informative textbook examines the history institutions processes and politics of the European Union with unprecedented clarity The EU is a fascinating political experiment in regional integration and it has changed our understanding of Europe how Europeans relate to one another the role Europe plays in global politics and has even shifted our understanding of politics itself Helping to make sense of it all in the author's accessible style this book is underpinned by theory and the latest research throughout Organised in three main parts the text covers everything from the history of the EU and its treaties to the institutions that make up the EU and its policies in areas such as the economy the environment and the Area of Freedom Security and Justice This is the go to text for all students taking courses or modules on the EU as well as functioning as an accessible introduction for anyone who wants to find out more about how the EU works and what difference it makes New to this Edition Fully updated to take account of the latest developments including the ongoing Brexit negotiations the 2019 European Parliament elections and more on the fallout from the euro zone and migration crises Two new separate chapters to cover the European Council and the Council of Ministers respectively More emphasis on comparative politics throughout to compare institutions and policies Expanded debates on key issues of contention in the European project Expanded coverage of the most recent research into public opinion in the EU New Snapshot features in each chapter focusing on a particular EU country Accompanying online resources for this title can be found at [bloomsburyonlineresources.com/european-union-politics](https://www.bloomsburyonlineresources.com/european-union-politics) 3e These resources are designed to support teaching and learning when using this textbook and are available at no extra cost

**When Politics Meets Religion** Marko Veković, Miroljub Jevtić, 2024-08-05 When Politics Meets Religion presents a fresh exploration of the relationship between religion and politics worldwide The volume includes topics covering Europe such as the European far right the contours of European identity and how religious cleavages affect value orientation of Europeans It also covers country focused issues and events such as the influence of Orthodox Christianity in Russia Christian nationalism in the United States the influence of religion on Turkish foreign policy the political role of the Catholic Church in the Philippines Chinese attitudes towards religious deprivatization and how liberation theology found its way from Latin America to the Holy Land The volume is supplemented with several analyses on the intersection between law society and religion It deals with religious mediation and political conflicts how the current religious governance in France affects the Orthodox Jewish community as well as how taxing the church's economic activities can be a contributor to the common good and why Muslims should treat Sharia law as only a moral code in the context of the Universal Declaration of Human Rights Through rigorous research case studies and critical analysis this volume explains how religion and politics mix in different settings and why it is important for us to study this complex relationship The volume will appeal to scholars and graduate students of political science and religious studies as well as

*Military* Giuseppe Caforio,1998 The Sociology of the Military is an authoritative selection of articles providing an historical overview of the field and illustrating the major directions of contemporary research The book considers the forerunners to a sociology of the military and the research trends in America and the rest of the world Topics covered include models for comparative research the military profession and the relationship between military and civil society Finally the book explores new roles for the armed forces in our changing world      **Current Politics and Economics of Europe** ,2000      **An Anthropology of the European Union** Irène Bellier,Thomas M. Wilson,2000-01-11 One of the problems facing Europe is that the building of institutional Europe and top down efforts to get Europeans to imagine their common identity do not necessarily result in political and cultural unity Anthropologists have been slow to consider the difficulties presented by the expansion of the EU model and its implications for Europe in the 21st Century Representing a new trend in European anthropology this book examines how people adjust to their different experiences of the new Europe The role of culture religion and ideology as well as insiders social and professional practices are all shown to shed light on the cultural logic sustaining the institutions and policies of the European Union On the one hand the activities of the European institutions in Brussels illustrate how people of many different nationalities languages and cultures can live and work together On the other hand the interests of many people at the local regional and national levels are not the same as the Eurocrats Contributors explore the issues of unity and diversity in Europe building through various European institutions images and programmes and their effects on a variety of definitions of identity in such locales as France Denmark the United Kingdom Ireland and Belgium      *The Interaction of Economics and Foreign Policy* Kenyon Public Affairs Forum,1975      *Activities of the Council of Europe* Council of Europe,2005 This report outlines the work carried out in 2003 by the various bodies and sectors of activity of the Council of Europe      New Perspectives on Turkey ,2009      **Current Sociology** ,1994

Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download European Identity Its Feasibility And Desirability has opened up a world of possibilities. Downloading European Identity Its Feasibility And Desirability provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading European Identity Its Feasibility And Desirability has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download European Identity Its Feasibility And Desirability. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading European Identity Its Feasibility And Desirability. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading European Identity Its Feasibility And Desirability, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download European Identity Its Feasibility And Desirability has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By

doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
