Lakarra,R.L. Trask,1996-01-01 Questions related to the origin and history of the Basque language spark considerable interest since it is the only surviving pre Indo European language in western Europe However until now there was no readily available source in English providing answers to these questions or giving an overview of past and current research in this area This book is intended to partly fill this void The book contains both state of the art papers which summarize our knowledge about particular areas of Basque historical linguistics and articles presenting new hypotheses and points of view based on hard evidence and careful analysis All contributors to this volume have demonstrated expertise in the topic within Basque historical linguistics that their chapter addresses Two classical articles by the late Luis Michelena are included in English translation In addition the book includes studies on diachronic phonology morphology and syntax The relation of Basque to other languages is also investigated in a couple of chapters *Euskera Batua: Cambio y Evolucion* Ambrose Goikoetxea, Ph.d.,2013-09-02 In this book I am proposing some critical changes in the system of auxiliary verbs in Euskera Batua the Basque Language in order to make accessible to a larger audience to communities worldwide Ambrose **Advances in Proto-Basque Reconstruction with Evidence for the Proto-Indo-European-Euskarian Hypothesis** Juliette Blevins,2018-09-03 This book presents a new reconstruction of

Proto Basque the mother language of modern Basque varieties historical Basque and Aquitanian grounded in traditional methods of historical linguistics Building on a long tradition of Basque scholarship the comparative method and internal reconstruction informed by the phonetic bases of sound change and phonological typology are used to explain previously underappreciated alternations and asymmetries in Basque sound patterns resulting in a radically new view of the proto language The comparative method is then used to compare this new Proto Basque with Proto Indo European revealing regular sound correspondences in basic vocabulary and grammatical formatives Evaluation of these results supports a distant genetic relationship between Proto Basque and Proto Indo European and offers new insights into specific linguistic properties of these two ancient languages This comprehensive volume which includes a detailed appendix including Proto Basque Proto Indo European cognate sets will be of general interest to linguists archeologists historians and geneticists and of particular interest to scholars in historical linguistics phonetics and phonology language change and Basque and Indo European studies Errata for the book can be found at <https://julietteblevins.ws.gc.cuny.edu/proto-basque>

The Basque Language Antonio Tovar, 2015-09-30 Authorized translation of *La lengua vasca 2 e* *Reclaiming Basque* Jacqueline Urla, 2012-03-31 The Basque language Euskara is one of Europe's most ancient tongues and a vital part of today's lively Basque culture *Reclaiming Basque* examines the ideology methods and discourse of the Basque language revitalization movement over the course of the past century and the way this effort has unfolded alongside the simultaneous Basque nationalist struggle for autonomy Jacqueline Urla employs extensive long term fieldwork interviews and close examination of a vast range of documents in several media to uncover the strategies that have been used to preserve and revive Euskara and the various controversies that have arisen among Basque language advocates *The History of Basque* R. L. Trask, 2013-09-13 Basque is the sole survivor of the very ancient languages of Western Europe This book written by an internationally renowned specialist in Basque provides a comprehensive survey of all that is known about the prehistory of the language including pronunciation the grammar and the vocabulary It also provides a long critical evaluation of the search for its relatives as well as a thumbnail sketch of the language a summary of its typological features an external history and an extensive bibliography

Conference on the Basque Language, 1988 *Koldo Mitxelena* Luis Michelena, Pello Salaburu Etxeberria, 2008 This work brings together a number of texts by Koldo Mitxelena also known as Luis Michelena concerning the Basque language its history and its literature The Basque language is used on both sides of the Pyrenees along the Bay of Biscay in the borderlands between Spain and France It is a non Indo European language of unknown origins and with no known relatives it is an ergative language with a very different syntactic structure from Spanish French English or German Some of the texts in the present work are more general or informative while others require a degree of familiarity with linguistics The reader will find a clear explanation of the Basque language together with a systematic account of the theories surrounding its relationship with other languages its dialects and its literature Furthermore there is ample information about

certain central features associated with the history of the language about its phonetic and phonological system and about the first writings in Basque Also included is the text of his unification proposal that since 1968 has made the written unification of the language possible As a general criterion the texts selected here have not been previously published in English *An Introduction to the Basque Language* Herbert Pierrepont Houghton,1959 **Linguae Vasconum Primitiae** Bernat Dechepare,2012 Modern translation and original Basque version of the first book printed in the Basque language in Baiona in 1545 Provided by publisher **Being Basque, Speaking Basque** Jacqueline Urla,1987 **Basque and Proto-basque** Mikel Martínez Areta,2013 This volume is an attempt to expound the current state of research into the past of the Basque language The research has experienced that more evidence have been discovered and what we already knew has been more deeply studied Since the 70s cross linguistic typology has made huge progress in our knowledge of linguistic universals and grammaticalization paths **Euskara Biltzarra** ,1988
