Euthanasia Examined John Keown, 2011-03-29 Whether euthanasia or assisted suicide should be legalized is one of the most pressing and profound questions facing legislators health care professionals their patients and all members of society Regrettably the debate is too often characterized by rhetoric rather than reason This book aims to inform the debate by acquainting anyone interested in this vital question with some of the major ethical legal clinical and theological issues involved The essays it contains are authoritative in that they have been commissioned from some of the world's leading experts balanced in that they reflect divergent viewpoints including a vigorous debate between two eminent philosophers and readable in that they should be readily understood by the general reader *Euthanasia Examined* John Keown, 1995

Euthanasia Examined Brinda Diana Paul, 2004 *End-of-Life Decisions in Medical Care* Stephen W. Smith, 2012-02-23 Stephen W Smith explores the legal and ethical issues involved in end of life decision making *Hospitality as Holiness* Luke Bretherton, 2010-01-01 Hospitality as Holiness will appeal to those interested in the broad question of the relationship between reason tradition natural law and revelation in theology and more specifically to those engaged with questions about plurality tolerance and ethical conflict in Christian ethics and medical ethics *Revisiting Landmark Cases in Medical Law*

Shaun D. Pattinson, 2018-09-27 Is it lawful for a doctor to give a patient life shortening pain relief Can treatment be lawfully provided to a child under 16 on the basis of her consent alone Is it lawful to remove food and water provided by tube to a patient in a vegetative state Is a woman's refusal of a caesarean section recommended for the benefit of the fetus legally decisive These questions were central to the four focal cases revisited in this book This book revisits nine landmark cases For each a new leading judgment is attributed to an imagined judge Athena who operates within the constraints of the legal system of England and Wales Her judgments accord with an innovative legal theory referred to as modified law as integrity and are linked as a line of precedent The result is a re spinning of extant judicial threads into a web of legal principles with a greater claim to coherence and defensibility than those in the original cases The book will be of great interest to scholars and students of medical law criminal law bioethics legal theory and moral philosophy Personal Identity as a Principle of

Biomedical Ethics Michael Quante, 2017-05-24 This book brings together the debate concerning personal identity in metaphysics and central topics in biomedical ethics conception of birth and death autonomy living wills and paternalism Based on a metaphysical account of personal identity in the sense of persistence and conditions for human beings conceptions for beginning of life and death are developed Based on a biographical account of personality normative questions concerning autonomy euthanasia living wills and medical paternalism are dealt with By these means the book shows that personal identity has different meanings which have to be distinguished so that human persistence and personality can be used to deal with central questions in biomedical ethics *Principles of Health Care Ethics* Richard Edmund Ashcroft, Angus Dawson, Heather Draper, John McMillan, 2007-06-29 Edited by four leading members of the new generation of medical and

healthcare ethicists working in the UK respected worldwide for their work in medical ethics *Principles of Health Care Ethics* Second Edition is a standard resource for students professionals and academics wishing to understand current and future issues in healthcare ethics With a distinguished international panel of contributors working at the leading edge of academia this volume presents a comprehensive guide to the field with state of the art introductions to the wide range of topics in modern healthcare ethics from consent to human rights from utilitarianism to feminism from the doctor patient relationship to xenotransplantation This volume is the Second Edition of the highly successful work edited by Professor Raanan Gillon Emeritus Professor of Medical Ethics at Imperial College London and former editor of the *Journal of Medical Ethics* the leading journal in this field Developments from the First Edition include The focus on Four Principles Method is relaxed to cover more different methods in health care ethics More material on new medical technologies is included the coverage of issues on the doctor patient relationship is expanded and material on ethics and public health is brought together into a new section *Landmark Briefs and Arguments of the Supreme Court of the United States* United States. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
