The Everlasting Whisper Jackson Gregory, 2016-04-01 In this classic Western set in California intrepid explorer Mark King is hot on the trail of a legendary cache of gold hidden in the craggy hills of the Sierras But his single minded quest for the gold is derailed by a chance encounter with a wealthy heiress visiting the area Gloria Gaynor *The Everlasting*

Whisper (Large Print) Jackson Gregory, 2015-04-26 It was springtime in the California Sierra Never were skies bluer never did the golden sun flood steep the endless forest lands in richer life giving glory Ridge after ridge the mountains swept on and fell away upon one side until in the vague distances they sank to the monotonous level of the Sacramento Valley down there it was already summer and fields were hot and brown Ridge after ridge the mountains stretched on the other side rising steadily growing ever more august and mighty and rocky on their crests across the blue gorges the snow was dazzling white and winter held stubbornly on at altitudes of seven thousand feet Thus winter springtime and ripe fruit dropping summer coexisted touching fingers across the seventy miles that lie between the icy top of the Sierra and the burning lowlands Here in a region lifted a mile into the rare atmosphere was a ridge all naked boulder and spire along its crest its sides studded with pine and incense cedar The afternoon sunlight streaked the big bronze tree trunks making bright gay spots and patches of light casting cool black shadows across the open spaces where the brown dead needles lay in thick carpets It was early June and thus far only had the springtime advanced in its vernal progress upward through the timbered solitudes Some few small patches of snow still lingered on in spots sheltered from the sun but now they were ebbing away in thin trickles Down in a hollow at the base of the sunny slope was a round alpine lake no bigger than a pond in a city park It was of the same deep perfect blue as the sky whose colour it seemed not to reflect but to absorb A tiny fragment of this same heavenly azure drifted downward among the trees like a bit of sky falling A second bit of blue that had skimmed across the lake and was visible now only as it rose and winged across the contrasting coloured meadow rimming the pool was like a bit of the lake itself Two bluebirds They swerved before the meeting their wings fluttered they lighted on branches of the same tree and shyly eyed each other Did a man need to have the still message of all the woods summed up in final emphasis this it was spring is here **The Everlasting Whisper; A Tale Of The California Wilderness** Jackson Gregory, 2024-05-21
