Every Believer A Disciple:

Every Believer a Disciple! David E. Bjork, 2015-06-14 The growth of Christianity in recent decades has been remarkable but has it been growth with depth Are our communities of faith our churches creating and nurturing deeply committed followers of Jesus This book was born out of the realization that churches throughout the world despite their numerous evangelization and spiritual development activities are struggling to produce true disciples of Jesus How can we explain why so many of us in our churches are so unlike Jesus in the way we think and act What can we change in our understanding and practices to facilitate life transformation and spiritual multiplication And as Christians what are we called to do In answering these questions the author proposes an alternative ecclesial and missional paradigm that will enable us to better equip and mobilize believers in the mission that Christ gave to his disciples and gives to us all to make disciples *Spiritual Discipleship* J. Oswald Sanders, 2017-07-04 Take time and trouble to keep yourself spiritually fit 1 Tim 4 7 J B Phillips Translation As J Oswald Sanders points out true discipleship is more than intellectual assent to a belief in Christ it involves the whole person and lifestyle True disciples pursue their Master They know that God is watching over their faith but they also take Scripture s command seriously work out your own salvation with fear and trembling for it is God who works in you They take pains by His power to look more and more like Jesus This book will help you to be such a disciple It examines Jesus teaching on what it means to follow Him helping you become the kind of Christian Jesus wants you to be not one devised by man or even other Christians You ll learn The profile of an ideal disciple Conditions for discipleship The tests that disciples endure How disciples pray and grow The posture and practices of a disciple And more For anyone who wants to be not just a believer in Christ but an imitator of Him this book is a treasured resource Includes questions for reflection ideal for both individual and group study What Is a Disciple and How Do You Make One? Mark Swiger, 2015-09 In many ways the church has become more adept at adding members than preparing true Christian disciples Author and evangelist Mark Swiger believes that bringing souls to Christ and then nurturing them to Christ like maturity requires an approach that is different from the methods often employed today Many congregations do not have a clear plan in place for seeing every believer grow to fruitfulness and spiritual maturity Adding to this problem sometimes pastors struggle with knowing how to equip others for the work of the ministry Swiger has developed a Spirit led manual for disciples and those who lead them Part I of his book is for everyone since every believer is first and foremost a disciple of Jesus Part II speaks to the particular needs of pastors and leaders who are charged with discipling others This interactive biblically based handbook is designed to help the church rediscover the eternal disciple making truths and examples found in the Scriptures God s Word still has the power to transform ordinary believers into disciples who can turn the world upside down **The Christian Disciple** H.W. Fink,2017-04-17

Today we have many ways of defining success in life Some define it as being a sports hero others as being wealthy others as being popular and well liked and still others as being happy How does God define success He defines it as being spiritually mature How do we become spiritually mature There s only one way and it s called discipleship However statistics show that discipleship is in a state of crisis today Many Christians are not growing in Christ and are stuck in the process of reaching spiritual maturity A Barna study reveals that almost nine out of ten senior pastors of Protestant churches assert that spiritual immaturity is one of the most serious issues facing the church Sadly what discipleship meant in the time of Christ and what it means today is vastly different Moreover the importance Christ and the Apostles gave to discipleship is also stunningly different than the importance many Christians and churches today give it Unlike the disciples who had much of Scripture memorized a whopping 81% of Christians today don t read their Bibles regularly Unlike Christ s disciples who were Fishers of Men 61% of believers today have not shared their faith in the past six months And sadly unlike Christ and the Apostles who made discipleship the central focus of their ministries 81% of pastors today have no regular discipleship programs in their churches Discipleship is being neglected today and the consequences are crippling many Christians and churches This book hopes to change that Chapter 1 focuses on the state of discipleship today and exposes the sad truth that it s in crisis mode Chapter 2 reveals 13 key factors contributing to the lack of discipleship today Chapter 3 defines biblical discipleship based on central phrases Christ used in His ministry Chapter 4 brings to light 14 essential components of the discipleship making

process that must be understood and practiced in order to attain spiritual maturity Chapter 5 provides practical how to help for growing in Christ It includes self assessment tests for measuring your level of spiritual maturity in each essential component of discipleship and gives hands on useful ideas for taking steps toward spiritual maturity Discipleship is a command for all believers and is our highest calling This book provides biblical help for fulfilling this calling and seeks to discover what God says about genuine growth in Christ It s both an informative book and a how to book It deals with the barriers that are hindering discipleship and offers practical help for overcoming these barriers and attaining spiritual maturity So are you ready to grow Would you like to be pleasing to God Would you like to fulfill the reason for which you ve been created Would you like the full blessings of God in your life Would you like to become spiritually mature Would you like to hear Christ s words Well done good and faithful servant when you arrive in heaven If so this book is for you *The Great Omission* Dallas Willard,2006-06-13 The last command Jesus gave the church before he ascended to heaven was the Great Commission the call for Christians to make disciples of all the nations But Christians have responded by making Christians not disciples This according to brilliant scholar and renowned Christian thinker Dallas Willard has been the church s Great Omission The word disciple occurs 269 times in the New Testament writes Willard Christian is found three times and was first introduced to refer precisely to disciples of Jesus The New Testament is a book about disciples by disciples and for disciples of Jesus Christ But the point is not merely verbal What is more important is that the kind of life we see in the earliest church is that of a special type of person All of the assurances and benefits offered to humankind in the gospel evidently presuppose such a life and do not make realistic sense apart from it The disciple of Jesus is not the deluxe or heavy duty model of the Christian especially padded textured streamlined and empowered for the fast lane on the straight and narrow way He or she stands on the pages of the New Testament as the first level of basic transportation in the Kingdom of God Willard boldly challenges the thought that we can be Christians without being disciples or call ourselves Christians without applying this understanding of life in the Kingdom of God to every aspect of life on earth He calls on believers to restore what should be the heart of Christianity being active disciples of Jesus Christ Willard shows us that in the school of life we are apprentices of the Teacher whose brilliance encourages us to rise above traditional church understanding and embrace the true meaning of discipleship an active concrete 24 7 life with Jesus *Rose Guide to Discipleship* Len Woods,2016-01-01 You already know that discipleship is important So the question is not should you disciple it is how to disciple How can you help others become more Christ like What topics do you need to cover to make sure they mature in their spiritual journey How do you effectively develop spiritual growth Enjoy having this easy to understand guide includes 30 ready to use lessons on 30 discipleship topics Becoming more like Jesus salvation forgiveness prayer trusting God how to study the Bible and other spiritual growth topics Whether you re a new Christian or a seasoned believer this guide includes overviews of key topics to dive into for a lifetime Each Discipleship Topic Includes Core truth or theme sentenceA memory

verseA basic Bible study of the key passages with questionsA handout on the topic to fill out and take homeGraphics Charts diagrams infographicsQuestions to draw out the key principlesLife applications Featuring simple summaries charts and illustrations this reproducible guide is perfect for the leader who wants ready to use lessons for discipling new believers Every leader knows it isn't enough to lead a person to Christ and stop there Any leader can pick and choose topics or do all 30 lessons And you can do them in any order Each topic takes about 1 hour so they are perfect for busy people Perfect for personal or group use **The Christian Disciple** ,1818 Discipleship Codes Emmanuel Nnaji,2024-06-18 Jesus gave us one task before He ascended to heaven and that task is to make disciples of men Go ye therefore and teach all nations baptizing them in the name of the Father and of the Son and of the Holy Ghost Matthew 28 19 Until we become true Disciples of Christ we cannot experience the kingdom and the power of God This book is written to impart into the saints the DNA of God so that we can begin to behave God on earth Read and master these codes and soon your life as a believer of our Lord Jesus will take on a new meaning and direction These are the secret codes that have made many great in the kingdom of God it is now your turn Finally the secret is out The mystery of God has been unraveled your story of greatness has just begun Welcome to your season of favour If you know these things happy are ye if you do it John 13 17 Life in Christ can be so rewarding if only we understand and apply ourselves to the mysteries of the kingdom Every disciple of Christ must read The Discipleship Codes **The Christian Disciple and Theological Review** ,1815 **Master Discipleship Today** Don Hawkins,2019-06-23 Long term pastor and radio host Don Hawkins explains how the twenty first century tool of Christian Life Coaching can facilitate Jesus's first century mandate to make disciples Based on Jesus's prayer in John 17 this book explores and applies the six steps the Lord carries out to guide His followers Master Discipleship Today is a practical how to manual for pastors group leaders and individual Christians who want to lead others to a closer walk with Christ and further their own growth in the faith
