Waits, 2015-02-01 Julia Ellis wants to have a baby Actually it was David's idea first Like the day he proposed David got down on one knee and asked Julia to be the mother of his children However with each negative sign on a home pregnancy test Julia slips further into depression crippling the couple's bond She loses a friend who can't understand the pain and bitter jealousy she is experiencing and she harbors strong resentment toward her sister who clearly cannot sympathize Spying on a fertility support group Julia discovers new friendships and insights After a year of failure and loss she lies to her husband and begins fertility treatments This is a fight Julia needs to win to save her marriage and to save herself
