Everyday Life A Poetics Of Vernacular Practices:

Everyday Life Roger Abrahams, 2011-06-07 A folklorist and ethnographer who has written about the Southern Appalachians African American communities in the United States and the West Indies Roger D Abrahams goes up against the triviality barrier Here he takes on the systematics of his own culture He traces forms of mundane experience and the substrate of mutual understandings carried around as part of our own cultural longings and belongings Everyday Life explores the entire range of social gatherings from chance encounters and casual conversations to well rehearsed performances in theaters and stadiums Abrahams ties the everyday to those more intense experiences of playful celebration and serious power displays and shows how these seemingly disparate entities are cut from the same cloth of human communication Abrahams explores the core components of everyday ness including aspects of sociability and goodwill from jokes and stories to elaborate networks of organization both formal and informal in the workplace He analyzes how the past enters our present through common experiences and attitudes through our shared practices and their underlying values Everyday Life begins with the vernacular terms for old talk and offers an overview of the range of practices thought of as customary or traditional Chapters are concerned directly with the terms for intense experiences mostly forms of play and celebration but extending to riots and other forms of social and political resistance Finally Abrahams addresses key terms that have recently come front and center in sociological discussions of culture in a global perspective such as identity ethnicity creolization and diaspora thus taking on academic jargon words as they are introduced into vernacular discussions

The Legacy of Dell Hymes Paul V. Kroskrity, Anthony K. Webster, 2015-09-25 The accomplishments and enduring influence of renowned anthropologist Dell Hymes are showcased in these essays by leading practitioners in the field Hymes 1927 2009 is arguably best known for his pioneering work in ethnopoetics a studied approach to Native verbal art that elucidates cultural significance and aesthetic form As these essays amply demonstrate nearly six decades later ethnopoetics and Hymes s focus on narrative inequality and voice provide a still valuable critical lens for current research in anthropology and folklore Through ethnopoetics so much can be understood in diverse cultural settings and situations gleaning the voices of individual Koryak storytellers and aesthetic sensibilities from century old wax cylinder recordings understanding the similarities and differences between Apache life stories told 58 years apart how Navajo punning and an expressive device illuminate the work of a Navajo poet decolonizing Western Mono and Yokuts stories by bringing to the surface the performances behind the texts written down by scholars long ago and keenly appreciating the potency of language revitalization projects among First Nations communities in the Yukon and northwestern California Fascinating and topical these essays not only honor a legacy but also point the way forward

The Routledge Companion to Jazz Studies

Nicholas Gebhardt, Nichole Rustin-Paschal, Tony Whyton, 2018-12-07 The Routledge Companion to Jazz Studies presents over forty articles from internationally renowned scholars and highlights the strengths of current jazz scholarship in a cross

disciplinary field of enquiry Each chapter reflects on developments within jazz studies over the last twenty five years offering surveys and new insights into the major perspectives and approaches to jazz research The collection provides an essential research resource for students scholars and enthusiasts and will serve as the definitive survey of current jazz scholarship in the Anglophone world to date It extends the critical debates about jazz that were set in motion by formative texts in the 1990s and sets the agenda for the future scholarship by focusing on key issues and providing a framework for new lines of enquiry It is organized around six themes I Historical Perspectives II Methodologies III Core Issues and Topics IV Individuals Collectives and Communities V Politics Discourse and Ideology and VI New Directions and Debates **Environment,**

Space, Place - Volume 2, Issue 1 (Spring 2010) Gary Backhaus,2010-01-01 **Work and Faith in the Kentucky Coal Fields** Richard J. Callahan,2008-11-20 Exploring themes of work and labor in everyday life Richard J Callahan Jr offers a history of how coal miners and their families lived their religion in eastern Kentucky s coal fields during the early 20th century Callahan follows coal miners and their families from subsistence farming to industrial coal mining as they draw upon religious idioms to negotiate changing patterns of life and work He traces innovation and continuity in religious expression that emerged from the specific experiences of coal mining including the spaces and social structures of coal towns the working bodies of miners the anxieties of their families and the struggle toward organized labor Building on oral histories folklore folksongs and vernacular forms of spirituality this rich and engaging narrative recovers a social history of ordinary working people through religion **Rhetorical Ethos in Health and Medicine** Cathryn Molloy,2019-10-16 This book explores rhetorical ethos and its ongoing role in patients credibility and in misdiagnoses stemming from gender race and class based biases Drawing on the concept of ethos as a theoretical framework it explores health and mental illness across different conditions and across different methodological approaches Extending work on ethos in clinical encounters and public discourse about biomedicine and presenting new research on the rhetoric of mental health stigma and mental illness the book explores how bias in clinical settings can lead to symptoms labelled in the patient s head masking treatable medical problems This notable contribution to the rhetoric of health and medicine will be of interest to all researchers and graduate students of rhetoric and composition studies rhetoric of health and medicine disability studies medical humanities communication and psychology Grand Theory in Folkloristics

Lee Haring,2016-09-19 Essays arguing diverse positions on the concept of a grand theory in American folklore Why is there no Grand Theory in the study of folklore Talcott Parsons 1902 1979 advocated grand theory which put the analysis of social phenomena on a new track in the broadest possible terms Not all sociologists or folklorists accept those broad terms some still adhere to the empirical level Through a forum sponsored by the American Folklore Society the diverse answers to the question of such a theory arrived at substantial agreement American folklorists have produced little grand theory One speaker even found all the theory folklorists need in the history of philosophy The two women in the forum Noyes and Mills spoke in defense of theory that is local apt suited to

the audience and humble the men Bauman and Fine reached for something Parsons might have recognized The essays in this collection developed from the forum presentations defend diverse positions but they largely accept the longstanding concentration in American folkloristics on the quotidian and local

The West and Beyond Sarah Carter, Alvin Finkel, Peter Fortna, 2010 The West and Beyond evaluates and appraises the state of Western Canadian history acknowledging and assessing the contributions of historians of the past and present while showcasing the research interests of a new generation of scholars It charts new directions for the future and stimulates further interrogations of our past This collection encourages dialogue among the generations of historians of the West and among practitioners of diverse approaches to the past It also reflects a broad range of disciplinary and professional boundaries suggesting a number of different ways to understand the west
