Cadge,2013-01-18 While the modern science of medicine often seems nothing short of miraculous religion still plays an important role in the past and present of many hospitals When three quarters of Americans believe that God can cure people who have been given little or no chance of survival by their doctors how do today's technologically sophisticated health care organizations address spirituality and faith Through a combination of interviews with nurses doctors and chaplains across the United States and close observation of their daily routines Wendy Cadge takes readers inside major academic medical institutions to explore how today's doctors and hospitals address prayer and other forms of religion and spirituality From chapels to intensive care units to the morgue hospital caregivers speak directly in these pages about how religion is part of their daily work in visible and invisible ways In *Paging God Religion in the Halls of Medicine* Cadge shifts attention away from the ongoing controversy about whether faith and spirituality should play a role in health care and back to the many ways that these powerful forces already function in healthcare today *Everyday Strength* Randy Becton,1989 A counselor who has personally battled with cancer offers help for spiritual and emotional health in the midst of debilitating illness *An Uninvited Guest* Jeana Floyd,2007 Story of surviving cancer from one woman to help others **A Caring Community** DIANE Publishing Company,1997-08 Designed to deliver practical effective assistance this guidebook provides information on coping with advanced cancer It describes options available for supportive care explains which services may be needed lists those available in the Harris County Houston area Services are included in the areas of home health care hospice care pain clinics rehabilitation services medical equipment wigs prostheses food nutrition support groups private grief counseling transportation financial advice assistance legal information religious support Listing of related books publications **Rise & Shine** Charles R.
