Everything Is Obvious Once You Know The Answer:

Everything is Obvious Duncan J. Watts, 2011 A narrative exploration of how the concept of common sense is inadequate in today's complex world draws on multiple disciplines to offer insight into the sources of such topics as popularity economics and self deception

Everything Is Obvious Duncan J. Watts, 2012-06-26 By understanding how and when common sense fails we can improve our understanding of the present and better plan for the future Drawing on the latest scientific research along with a wealth of historical and contemporary examples Watts shows how common sense reasoning and history conspire to mislead us into believing that we understand more about the world of human behavior than we do and in turn why attempts to predict manage or manipulate social and economic systems so often go awry It seems obvious for example that people respond to incentives yet policy makers and managers alike frequently fail to anticipate how people will respond to the incentives they create Social trends often seem to be driven by certain influential people yet marketers have been unable to identify these influencers in advance And although successful products or companies always seem in retrospect to have succeeded because of their unique qualities predicting the qualities of the next hit product or hot company is notoriously difficult even for experienced professionals Watts argument has important implications in politics business and marketing as well as in science and everyday life

Social Media Is Bullshit B. J. Mendelson, 2012-09-04 A provocative look at social media that dispels the hype and tells you all you need to know about using the Web to expand your business If you listen to the pundits Internet gurus marketing consultants and even the mainstream media you could think social media was the second coming When it comes to business they declare that it's revolutionizing advertising PR customer relations everything And they all agree it is here to stay In this lively insightful guide journalist and social critic B J Mendelson skillfully debunks the myths of social media He illustrates how the notion of social media first came to prominence why it has become such a powerful presence in the marketing field and who stands to benefit each time it's touted in the press He shows you why all the Facebook friends and Twitter followers in the world mean nothing to you and your business without old fashioned real world connections He examines popular tales of social media success and reveals some unsettling truths behind the surface And he tells you how to best harness the potential of the Internet without spending a fortune in the process Social media is bullshit This book gives the knowledge and tools you really need to connect with customers and grow your brand

The Anatomy of Neo-Colonialism in Kenya W. O. Maloba, 2017-08-29 The successor to Kenyatta and Britain An Account of Political Transformation 1929 1963 this book completes the first systematic political history of Jomo Kenyatta by examining the mechanisms of installing a neo colonial regime in Kenya and how such regimes were duplicated elsewhere in Africa It analyzes the nature and extent of the collaboration between Kenyatta Britain and Western intelligence services to install and protect his government in Kenya a collaboration which is linked to some of Kenya's most intractable political social and economic problems Drawing heavily on primary sources it examines the legacy of Kenyatta's regime and how this legacy is

McMahon, 2021-07-29 Based on a case study of leadership communication in a time of organizational change this book gives new leaders insights into the tools and skills needed to become effective motivating communicators in their leadership careers Taking a holistic approach to communication and leadership the book argues that employees buy in to change when they collectively feel engaged in meaningful work that will enrich the lives of customers employees and investors Based on ethnographic research it approaches the topic through an absorbing fiction like retelling of an organization's successful navigation of change against the backdrop of the 2007 mortgage crisis In doing so it establishes a framework for leaders to understand the principles behind how and why buy in is generated in organizations This unique approach allows readers to visualize leadership communication principles in practice Fostering Employee Buy in is ideal as a supplementary text in introductory leadership communication management and business courses or as a text for new leaders interested in inspiring organizational change *Michigan Law Review*, 2016-03 **Talking Book Topics**, 2014 **The Shopper Economy: The New Way to Achieve Marketplace Success by Turning Behavior Into Currency** Liz Crawford, 2012-04-10 This title provides a framework to understand an important new phenomenon currency based on shopper behaviour and offers ways to use this knowledge to drive marketing programmes **Everything is Obvious** Duncan J. Watts, 2011-07-01 Why is the Mona Lisa the most famous painting in the world Why did Facebook succeed when other social networking sites failed Did the surge in Iraq really lead to less violence

And does higher pay incentivize people to work harder If you think the answers to these questions are a matter of common sense think again As sociologist and network science pioneer Duncan Watts explains in this provocative book the explanations that we give for the outcomes that we observe in life explanations that seem obvious once we know the answer are less useful than they seem Watts shows how commonsense reasoning and history conspire to mislead us into thinking that we understand more about the world of human behavior than we do and in turn why attempts to predict manage or manipulate social and economic systems so often go awry Only by understanding how and when common sense fails can we improve how we plan for the future as well as understand the present an argument that has important implications in politics business marketing and even everyday life *So You Want to Be a Doctor?* David Metcalfe,Harveer Dev,Michael Moazami,2021 Applying to medical school is like asking someone to marry you This might seem like an exaggeration however over your life you will spend more hours working than you will spend awake with your life partner Like marriage being a doctor will change who you are influence where you live and affect what you can do with your life For the right person this can be a wonderful life affirming experience Otherwise divorce from a medical career can be messy painful and upsetting

Lets delve into the realm of popular books, exploring the fascinating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Everything Is Obvious Once You Know The Answer : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
