Fields Of Plenty A Guide To Your Inner Wisdom:

A Cluster of Cancers Dr. Sherry L. Meinberg, 2015-08-27 A Cluster of Cancers A Simple Coping Guide for Patients brings a positive approach to the subject showing how readers can participate in the healing process alongside their treatments It covers the gamut of self help issues that cancer patients contend with thirty one subjects Half of the quotes are by medical doctors and psychologists while the other half are by experts in their fields or famous names Supportive and encouraging the practical suggestions provide a different slant from other cancer books as it is written by a cancer survivor Be Your Own Change Guru: The Ultimate Women's Guide for Thriving at Midlife Susan Paget, 2014-01-13 When Susan Paget was 47 years old she realized that even though she was reasonably healthy had a happy family life and a career as a television producer something wasn't right Unable to sleep having panic attacks and all around feeling lousy her own doctors weren't able to get to the bottom of what was going on It took watching a daytime talk show for Susan to work out that she was smack in the middle of perimenopause the lead up to menopause Susan soon discovered a strange code of silence around this natural process and took off on a mission to discover what was happening how to take charge and feel good during this key time of life Be Your Own Change Guru The Ultimate Women's Guide For Thriving At Midlife is a step by step guide for making change specifically for women over 40 The book addresses common midlife challenges including relationship issues career transition body image finding life purpose and facing empty nest and fertility issues while at the same time weaving Susan's personal journey throughout The Joy of Letting Go of Your Biomedical Career Dr. Xuemei Zhong, 2020-06-02 A complete toolkit for making a hard decision easier The Joy of Letting Go of Your Biomedical Career is the resource needed to put the joy back in life In The Joy of Letting Go of Your Biomedical Career Dr Xuemei Zhong tells of her own struggle leaving the angst that came with her job at a top medical school and how that episode in her life inspired her to found HOE Holistic Wellness LLC Dr Zhong discusses how to find fulfillment in work and life and lays out her groundbreaking seven step decision making process Within The Joy of Letting Go of Your Biomedical Career she helps professionals who want to reconnect to their true purpose by developing a plan to a flourishing career without losing themselves Throughout its pages Dr Zhong explains to those searching for this career path how to Save lives without sacrificing their health and family Not waste their medical training even if they leave for another career Earn as much as their current salary if not more Check if they made the right decision with one simple test Create a plan to move forward regret free **The Illustrated Guide to Divination** Judy Hall, 2000 covers not only oracles from various cultural traditions from I Ching and Mah Jongg to tarot runes cartouche scrying and more but it also speaks of angelic messages psychic abilities and dreams to name a few Brightly illustrated and laid out in two to four page spreads it is an introductory work yet fairly complete for that purpose The New Times You Only Live Once Noor Hibbert, 2021-10-28 How long are you going to wait to live the life you truly want Too many of us are existing on autopilot sleepwalking through life with no purpose and neglecting our dreams But what if it didn't

t have to be that way What if it could be different What if you could be different What if you remembered that you have the power to make every single day count How would it feel to design a life that you truly want and know how to make it happen This book is here to show you that positive thinking is just the beginning From there you ll start to demand more of yourself and for yourself You ll ask big questions and start attracting BIG successes You ll learn how to take control gain a new and healthier perspective and see that life is for the making and the taking You only live once So let s live on purpose
