"The Fighting Editor George D. Brewer,1910 *Editor & Publisher* ,1925 *The fourth estate* *The American Catalogue* ,1905 **Curt Flood in the Media** Abraham Iqbal Khan,2012-02-01 Curt Flood in the Media examines the public discourse surrounding Curt Flood 1938 1997 the star centerfielder for the St Louis Cardinals throughout the sixties In 1969 Flood was traded to the Philadelphia Phillies At the time all Major League Baseball players were subject to the reserve clause which essentially bound a player to work in perpetuity for his original team unless traded for another player or sold for cash in which case he worked under the same reserve conditions for the next team Flood refused the trade on a matter of principle arguing that Major League Baseball had violated both US antitrust laws and the 13th Amendment s prohibition of involuntary servitude In a defiant letter to Commissioner Bowie Kuhn asking for his contractual release Flood infamously wrote after twelve years in the major leagues I do not feel that I am a piece of property to be bought and sold irrespective of my wishes Most significantly Flood appeared on national television with Howard Cosell and described himself as a well paid slave Explosive controversy ensued Khan examines the ways in which the media constructed the case and Flood s persona By examining the mainstream press the Black press and primary sources including Flood s autobiography Khan exposes the complexities of what it means to be a prominent Black American athlete in 1969 and today **Parliamentary Debates (Hansard)** New Zealand. Parliament,New Zealand. Parliament. House of Representatives,1893 *An American Dilemma* Gunnar Myrdal,2017-07-12 In this landmark effort to understand African American people in the New World Gunnar Myrdal provides deep insight into the contradictions of American democracy as well as a study of a people within a people The title of the book *An American Dilemma* refers to the moral contradiction of a nation torn between allegiance to its highest ideals and awareness of the base realities of racial discrimination The touchstone of this classic is the jarring discrepancy between the American creed of respect for the inalienable rights to freedom justice and opportunity for all and the pervasive violations of the dignity of blacks The appendices are a gold mine of information theory and methodology Indeed two of the appendices were issued as a separate work given their importance for systematic theory in social research The new introduction by Sissela Bok offers a remarkably intimate yet rigorously objective appraisal of Myrdal a social scientist who wanted to see himself as an analytic intellectual yet had an unbending desire to bring about change *An American Dilemma* is testimonial to the man as well as the ideas he espoused When it first appeared *An American Dilemma* was called the most penetrating and important book on contemporary American civilization by Robert S Lynd One of the best political commentaries on American life that has ever been written in *The American Political Science Review* and a book with a novelty and a courage seldom found in American discussions either of our total society or of the part which the Negro plays in it in *The American Sociological Review* It is a foundation work for all those concerned with the history and current status of race relations in the United States **Munsey's Magazine** ,1896 **Bulletin** ,1912 **Court of Appeals, District of Columbia, October**
