**SUMMARY ANALYSIS INTRODUCTION** Everything I Never Told You is a very different kind of mystery It opens like countless other thrillers a young girl vanishes from her home and is later found at the bottom of a lake drowned The town is shocked and fascinated by the tragedy and the police launch an investigation But as the mystery unfolds we find that the clues to Lydia Lee's untimely demise are embedded deep within the history of the girl's family At first the Lees seem like the perfect all American clan with sixteen year old Lydia as the flawless favored child However as the Lees mourn and desperately search for answers the ugly truth of the pursuit of perfection is revealed The Lees are mixed

race Chinese and white family and in 1977 small town Ohio they stick out like a sore thumb Lydia's parents James and Marilyn each carry deep regrets James always longed to fit in and have friends and Marilyn dreamt of being among the ranks of the first woman doctors in America before pregnancy and marriage dashed her ambitions So instead they turned their hopes and expectations on Lydia forcing her to resort to lies and deception to keep them happy Meanwhile their other children Nath and Hannah watched from the fringes knowing they would never have their parents full attention But Nath knew that Lydia was buckling under the pressure and something had to give This novel bounces back and forth in time detailing the investigation in Lydia's death alongside the Lee's backstory Each of the remaining family members is keeping secrets from the others and each holds a piece of the puzzle Don't expect a stereotypical thriller with this book Instead Celeste Ng beautifully reveals the struggle of new kind of family desperately seeking acceptance in America as well as the darker side of parental pride and ambition This is a highly entertaining and thought provoking read that will linger in your mind long after you put it down Available on PC Mac smart phone tablet or Kindle device c 2015 All Rights Reserved
