**Tourists, Travellers and Hotels in 19th-Century Jerusalem** Rupert L. Chapman III, 2018-12-13 Jerusalem was a constant focus in the hearts and minds of all pilgrims and tourists travelling to the Holy Land in the nineteenth century but knowing exactly where they might get clean and decent accommodations on arrival was of the utmost importance This volume is a study of the rise of commercial hotel keeping in Jerusalem from the beginnings in the early 1840s drawing extensively on travel accounts and archives notably those of the Palestine Exploration Fund

**Islamic Architecture through Western Eyes: Spain, Turkey, India and Persia** Michael Greenhalgh, 2022-11-28 This book the first of three offers an anthology of Western descriptions of Islamic religious buildings of Spain Turkey India and Persia mostly from the seventeenth to early twentieth centuries taken from books and ambassadorial reports As travel became easier and cheaper thanks to viable roads steamships hotels and railways tourist numbers increased museums accumulated eastern treasures illustrated journals proliferated and photography provided accurate data The second volume covers some of the religious architecture of Syria Egypt and North Africa while the third deals with Islamic palaces around the Mediterranean All three deal with the impact of Western trade taste and imports on the East and examine the encroachment of westernised modernism judged responsible for the degradation of Islamic styles

**Restoring the Fortunes of Zion** Rob Yule, 2017-09-20 Restoring the Fortunes of Zion tells the dramatic story of the reemergence of Israel onto the stage of modern history from the genocidal fury of the Holocaust to its extraordinary survival in face of regional hostility and global contempt It shows how the return of the Jewish people from two millennia of exile realizes with uncanny accuracy the visions of the biblical prophets and explores what this signifies for the future Rob Yule brings together accessible scholarship biblical historical geographical political and theological with strong advocacy to create a book that I found riveting and moving I commend Restoring the Fortunes of Zion to all those who wish for a clearer sense of Israel its emergence from desolation to vitality and those who helped and hindered its progress It is an exceptionally valuable resource

Dame Lesley Max Auckland The publication of Restoring the Fortunes of Zion is extraordinarily timely and vital for our understanding of current world events It enables us to better understand from a biblical perspective what has happened in Israel's past what is happening in Israel today as well as what is going to happen to Israel in the future

Revd Murray Dixon Palmerston North Rob Yule's book weaves together a carefully researched erudite scholarly but eminently readable and fascinating account of Israel He intertwines and interprets the history politics military strategy theology and culture of the region in the past present and future The sweep of his vision is as breath taking as the intriguing subject matter that he covers
