Dreaming God's Dreams David Michael Donnangelo,2010-10 And it shall be in the last days saith God I will pour forth of my Spirit upon all flesh And your sons and your daughters shall prophesy And your young men shall see visions

And your old men shall dream dreams Acts 2 17 ASV There has never been a greater time for God s people to put aside their petty religious insanities and wake up to hear His voice whether it comes in the explosive eruption of a volcano a clap of thunder or a whisper in your ear in the stillness of the night Inside the cover of this book are essential ingredients to hear His voice in the quiet of the night The WORD says and the sheep follow him for they know his voice John 10 4 ASV Do you know His voice Perhaps it s time we take the principles found within this book and learn to recognize all the ways that He can and is speaking to us Pastor Joseph Landreth Follow Me and I will make you become fishers of men Mark 1 17 NKJV **Dream Big** Heather Boersma, *Dreaming God's Way* MS Ara C Trembly Ma Lpc,2025-07-16 Humans have been fascinated by dreams and their meanings since the beginning of recorded consciousness Poets philosophers mystics and psychologists have explored the dream world with intense interest The Bible itself is filled with vivid dreams that are personally and historically significant and through which God speaks to humans and even nations In the Jewish tradition the Talmud views dreaming as a means by which God communicates with the soul and dream interpretation as a valuable spiritual activity Yet the subject of dreams is almost entirely absent in today s Christian psychology textbooks or counseling offices As a practicing psychotherapist Trembly reclaims the dream world as a gift from God and asserts The Lord of our conscious life is also the Lord of our unconscious life He uses examples from the Scriptures and from his clinical practice to illustrate different types of dreams ranging from playful to prophetic to precognitive He then provides a practical step by step guide to interpreting dreams so that these messages from the unconscious mind may be an avenue for greater self knowledge and for encounters with God who created us *The Dream of God* Verna J.
