## **Earthbound The Invisible War Series:**

Earthbound Larry Richards,2009-09 Earthbound chronicles the tangled relationships that develop between three species angels demons and humans who are engaged in an invisible war between good and evil In this first of six novels about the Invisible War Dr Larry Richards reveals the origins of the war and the roots of the continuing struggle involving spirit beings and humans While this warfare is invisible to mortal eyes it has a deadly impact on human history as well as on our lives today Led by the powerful angel Lucifer a third of the angels rebel against the Creator Satan and his followers are transformed into demons and given control of Earth Eons later the Creator decimates the planet and the living creatures Satan has corrupted The Creator reshapes Earth and places the first humans in Eden where Satan s throne had once pierced the heavens Convinced that the Creator intends to use the humans against him in the war Satan sets events in motion that have a deadly impact on the human race But when demons mate with human women and produce giants called Nephelim they cross a line established by the Creator The guilty demons are hunted down and a corrupt human society rushes toward a devastating judgment

The Day of the Others Larry Richards,2009-09 It was far too large for a newborn Its head was covered with coarse black hair and its body was red and blotchy And on each hand there were six perfectly formed fingers The baby peered down at her with cruel intelligent eyes and when it smiled she saw two rows of tiny teeth So this was how the god had answered my prayers Myrfel thought This child he had given her was to be the instrument of her revenge The second book in the Invisible War series The Day of the Others chronicles the in between years of the Creation account and the Flood When Tubal Cain discovers metalworking human society begins to change creating new opportunities for the ranks of demons who masquerade as humankind s gods to prey on humanity s growing depravity Through the stories of Tubal Cain Enoch and other fascinating characters The Day of the Others describes the societal advances that lead to the evolution of a unique civilization marked by material progress and spiritual decline But when demons mate with human women and produce giants known as Nephilim angels intervene and the whole world rushes toward a cataclysmic judgment that will change the face of the planet
