Confident by Choice Juan Bendaña, 2025-08-05

Build unshakable confidence, break through fear, and live an inspired life with a practical, research-backed framework that transforms small steps into big changes. This book flips the script on confidence. *Confident by Choice* is a call to stop waiting and start showing up, even when you're not ready. Ben Nemtin, 1 New York Times bestselling author of *What Do You Want to Do Before You Die*. What if you could summon genuine confidence anytime you need it? Being happier, building better relationships, overcoming fear—the missing link between you and everything you want to achieve is self-confidence. The problem: Confidence is hard to build, and even when we do it, it often feels temporary and forced. After years of research and working with over 250,000 individuals, Juan Bendaña uncovered the four myths about confidence that actually cause and reinforce self-doubt. Confidence is not linked to genetics, extraversion, insecurities, or competence. To combat these myths, Juan Bendaña developed the Confidence Cycle, a repeatable flywheel that will help you gain and sustain confidence in every aspect of life through three key decisions: Decision 1: Micro Energy. Direct excitement toward the area of improvement. Decision 2: Micro Courage. Find the bravery to move through discomfort. Decision 3: Micro Action. Complete a small action. RESULT: Micro Proof. Boost of Confidence. Receive evidence that you are headed in the right direction, which gives you more confidence, thus continuing the cycle. This actionable, hands-on guide will jumpstart your confidence and help you build lasting courage to be your best self and face life's inevitable challenges.
