Exciting News!

Hollywood film giant Paramount has put forward a £2 billion proposal to build one of Europe's largest theme parks in Swancombe, Kent. The park is planned to open in 2021. The 872-acre development will be bigger than the Olympic Park and, along with related businesses, could create 27,000 jobs.

At the heart of the park will be an entertainment resort boasting attractions including Europe's largest indoor water park. Theatres, live music venues, cinemas, restaurants and hotels are also planned for the derelict and unattractive site.

Gravesend Council Leader John Burden said: 'This scheme is as imaginative as it is vast. It has the potential to re-energise the entire North Kent economy. It could wipe out unemployment at a stroke and resolve the regeneration issues in this area. It's a historic announcement which could transform the area at lightning speed.'

The resort will include a new country park, the biggest performing arts centre in Europe and apartments. This huge attraction will bring thousands of visitors to North Kent annually, adding significantly to the economy and increasing the area's share in the rising number of theme park visits.

Dartford MP Gareth Jackson is backing the plan and says: 'I will be watching the progress of the planning application with interest.'

Project leader Tony Sifton added: 'Our vision is to create a world-class entertainment destination, the first of its kind in the UK. We are at the start of a long journey, but have been encouraged by the support we have had to date.'

Ebbsfleet International Station is at the core of rail access plans for the park, while the existing M25, M20 and A20 will provide road links. The scheme will be welcomed by local people for the many benefits that will come from being part of the growing popularity of theme parks.
