Edgar Cayce on Soul Symbolism Kevin J. Todeschi, 2015-02-14 Edgar Cayce the most documented psychic of all time recommended exploring three tools for personal symbolism that would assist in personal growth and enlightenment Creating Life Seals Creating Aura Charts and Understanding the Book of Revelation From Cayce's perspective a Life Seal is a personal mandala that can be used as a tool for reflection a reminder of what she or he hopes to accomplish in life An Aura Chart is a visual depiction of an individual's unique Akashic Record and represents a soul's lessons attainments failures and developments over many lifetimes Cayce's unique approach to the Book of Revelation is that it is a symbolic exploration of archetypal images patterns and processes that correspond to the awakening of the Higher Self It depicts not an external process related to world events but instead an internal one that portrays the struggles that occur within each individual as spiritual development takes place and the basic lower nature of humankind evolves to its higher spiritual nature You will discover how these tools of symbolism can be used to cultivate your soul talents to accomplish your mission in life to overcome weaknesses to enhance your soul memory to remember your past lives and even as a means of personal attunement Edgar Cayce on Soul Symbolism presents timely information on how symbolism can be used to understand yourself and even your connection to the divine In addition the volume contains examples of Life Seals and Aura Charts from the Cayce files as well as two dictionaries of symbols for your easy reference *Edgar Cayce's ESP* Kevin J. Todeschi, 2011-01-14 Life is a completely lawful experience because of the universal laws of reincarnation and karma that draw individuals together Rather than being some type of unavoidable destiny or a fate about which we can do very little the Edgar Cayce material instead sees karma as essentially an unconscious reservoir of information stored within the soul s memory Although this memory may draw certain events and individuals to one another personal free will and the way in which an individual responds to that memory determines her or his actual life experiences Drawing upon contemporary family relationships as well as family relationships for individuals who received guidance from Edgar Cayce this insightful volume examines the activities of reincarnation and karma especially as they play out in the dynamics of family relationships All individuals are brought together within their respective families as a means of learning specific lessons and having opportunities for personal soul growth In addition to examining the universal laws of reincarnation and karma this book illustrates the lawfulness of life the exacting nature of individual responsibility and the ever present hopefulness of personal free will In the end Edgar Cayce on Reincarnation and Family Karma makes an enormous contribution to demonstrating that life is a completely lawful experience that individuals can overcome whatever karmic lessons they seem to be faced with that free will is completely free and that God is truly as fair and as loving as we have always wished for our Creator to be
