Education And The Soul Toward A Spiritual Curriculum:

Education and the Soul John P. Miller, 2000-01-01 With emphasis on preparing students for jobs standards and achievement testing many think that North American education has become inwardly deadening yet this book provides a counterbalance as it offers a way to nurture the soul in classrooms and schools **Holistic Learning and Spirituality in Education** John P. Miller, Selia Karsten, Diana Denton, Deborah Orr, Isabella Colalillo Kates, 2005-02-10 Explores the theory practice and poetics of spiritual and holistic education Education and the Soul John P. Miller, 2000 Education and the Soul is the first book to comprehensively address how the soul can be nourished in educational settings The book explores the nature of the soul and offers teaching learning approaches that can be used to nurture the development of students souls It also examines how institutions such as schools have souls and what can be done to care for a school s spiritual life

Resources in Education , 2000 Narrating Transformative Learning in Education M. Gardner, U. Kelly, 2008-02-04 This collection highlights the experiences of an international group of educators as they explore the art of teaching the philosophy of learning and the tensions of working across socially constructed borders **International Handbook of Research in Arts Education** Liora Bresler, 2007-09-04 Providing a distillation of knowledge in the various disciplines of arts education dance drama music literature and poetry and visual arts the Handbook synthesizes existing research literature helps define the past and contributes to shaping the substantive and methodological future of the respective and integrated disciplines of arts education While research can at times seem distant from practice the Handbook aims to maintain connection with the lived practice of art and of education capturing the vibrancy and best thinking in the field of theory and practice The Handbook is organized into 13 sections each centering on a major area or issue in arts education research These areas include History of arts education curriculum evaluation cultural centers appreciation composition informal learning child culture creativity the body spirituality and technology The individual chapters address cross cultural research related to the central theme of the section from the perspectives of the particular arts discipline Interludes provide reflective thoughts on the theme Educating for Wisdom and Compassion John P. Miller, 2005-07-20 A clearly written concise and inspired book Lourdes Arguelles Professor of Education and Cultural Studies Claremont Graduate University Blending philosophy research and three decades of practice the author offers an engaging discussion of essential principles of timeless learning including attention contemplation connection participation responsibility wholeness and joy Educators in today s schools can apply these principles models and methods to inform instruction in their own classrooms and teaching practices Some of the benefits timeless learning can bring include Helping students develop deep joy wholeness awe and wonder and a sense of purpose Improving attention alertness perception and memory Using meditation and contemplation to help reduce stress anxiety heart rate and blood pressure *An Investigation Into the Spiritual, Religious, and Prayer Lives of Wisconsin Public School Teachers* James M. M. Hartwick, 2005 **Curriculum Books** William Henry Schubert, 2002 This edition

expands on the original publication from the late 1970s Curriculum Books The First Eighty Years It covers some 3 000 curriculum books appearing in the U S from roughly 1900 to 2000 used to educate school administrators teachers aspiring educators educational scholars and the wider public about curriculum Each chapter focuses on a single decade providing background on the sociocultural intellectual artistic and scientific developments of the time a discussion of major curriculum movements trends books and authors and yearly bibliographies of curriculum books published in that decade The second edition includes two new chapters covering the 1980s and 1990s new commentary woven into the original introduction and a new concluding chapter Annotation copyrighted by Book News Inc Portland OR *Prospero* ,2002

Pedagogies of Kindness and Respect Paul Lee Thomas,2015 Pedagogies of Kindness and Respect presents a wide variety of concepts from scholars and practitioners who discuss pedagogies of kindness an alternative to the no excuses ideology now dominating the way that children are raised and educated in the U S today The fields of education and especially early childhood education include some histories and perspectives that treat those who are younger with kindness and respect This book demonstrates an informed awareness of this history and the ways that old and new ideas can counter current conditions that are harmful to both those who are younger and those who are older while avoiding the reconstitution of the romantic innocent child who needs to be saved by more advanced adults Two interpretations of the upbringing of children are investigated and challenged one suggesting that the poor do not know how to raise their children and thus need help while the other looks at those who are privileged and therefore know how to nurture their young These opposing views have been discussed and problematized for more than thirty years Pedagogies of Kindness and Respect investigates the issue of why this circumstance has continued and even worsened today

Educating for a Culture of Peace Riane Tennenhaus Eisler,Ron Miller,2004 Educating for a Culture of Peace is a tool for meaningful and lasting social change toward a genuine culture of peace *Imagining a Renaissance in Teacher Education* Cheryl J. Craig,Louise F. Deretchin,2008 Imagining a Renaissance Teacher in Education encompasses a wide swath of topics ranging from the need to discuss the psychic rewards of teaching and adding care to the vision of education to the revamping of particular courses and apprising student teachers of their legal rights before placing them in schools With chapters written by internationally acclaimed teacher educators and with the voices of teachers children and principals are threaded throughout this book offers principles of teacher education practice that have been gleaned over time from an international meta analysis

Cross-cultural Studies in Curriculum Claudia Eppert,Hongyu Wang,2008 This volume broadens the horizon of educational research in North America by introducing a comprehensive dialogue between Eastern and Western philosophies and perspectives on the subject of curriculum theory and practice It is a very timely work in light of the progressively globalized nature of education and educational studies and the increasingly widespread attunement to Eastern educational theories in the West By introducing Eastern perspectives this book questions taken for granted thinking in Western educational thought about the foundations of teaching and learning curriculum theory

educational policy and educational issues such as teaching for social justice service learning initiatives human rights and environmental education and the teaching of content area subjects It provides an important opportunity for scholars from different countries and different disciplines to establish a solid yet accessible foundation of East West inquiry that furthers the scope and depth of curriculum studies and to disseminate the insights from this book in the venues in which they work Researchers faculty and graduate students in the fields of curriculum theory curriculum and instruction educational foundations philosophy of education international comparative education and multicultural educational studies will welcome this book It is appropriate as a text for upper level courses in these areas

The Role of Spirituality in the Work of African-American Women Principals in Urban Schools Brenda L.
