Surrounding the globe are various elements: a large, glowing green number '32' in the top left; a large, glowing green number '704' in the middle left; and several large, glowing green numbers with decimal points, such as '431.25', '468.26', and '366.48', arranged vertically on the left side. The overall color palette is dominated by greens, blues, and oranges, with a sense of motion and depth created by the overlapping elements and light effects.
