Healthy Living Made

Easy K. Steven Whiting, 2007 This book is the culmination of over 30 years in the health and supplement industry The book was written to illustrate the simplicity of living a healthier lifestyle Too many books are written on the subject of better health diet exercise supplements etc that complicate the issues to the point that the public often finds it overwhelming to attempt to make the changes that seem to be necessary in their lives This book will take the only three factors that really matter to one s health namely diet exercise and supplementation and show how each may be implemented in one s life without major impact changes or expenses The number one reason why people don t attempt to live a healthier lifestyle is that they feel it is too difficult or restrictive This book will show just how few changes are necessary to dramatically improve one s health and the prospect of a longer lifespan Living Well Dale Martin, Kathy Martin, 1988 **The SANE Guide to Healthy Living** , 2002 **Happy and Healthy Life** , 2009 Healthy for Life Anne Hunt, 1994 **The Simple Life Guide To Optimal Health** Gary Collins, 2018-04-23 Are you sick and tired of being out of shape Discover a step by step approach to total wellness and a better body Are you struggling with excess weight Are you fed up with expensive exercise programs and gimmicky diet plans Do you run out of energy halfway through every day Gary Collins is a former FDA and US Department of Health and Human Services special agent who used his years of insider expertise to craft The Simple Life Healthy Lifestyle Plan Using his techniques he s helped countless clients build a better body and now he s here to turn your wellness goals into a reality The Simple Life Guide to Optimal Health How to Get Healthy Lose Weight Reverse Disease and Feel Better Than Ever explores the many dangers and diseases associated with unhealthy behaviors and provides you with a step by step plan for breaking your bad habits to build a fit new future Inside you ll receive a straightforward explanation of the fundamentals of nutrition and exercise to be your compass on the path to good health Through Collins guidance you ll create a personalized fitness plan that works around your busy life and promises real results In The Simple Life Guide to Optimal Health you ll discover Common myths about health and weight loss that could be harming your wellbeing How Collins techniques can transform your hectic lifestyle into a simpler healthier existence Nutritional starter recipes and shopping lists to start your diet off on the right foot How to select high quality supplements that will work with your body and fitness goals A breakdown of basic exercises that even beginners can perform and much much more The Simple Life Guide to Optimal Health is your full body handbook to a fitter happier future If you like expert advice budget friendly fitness solutions and step by step actions you can take today then you ll love Gary Collins transformational wellness guide Buy The Simple Life Guide to Optimal Health to rethink your fitness and rebuild your body today Decisions for Healthy Living, E-Edition B.
