Religion and Equal Liberty Azin Tadjini, 2019-09-19 During the 20th century many countries embarked on a process of constitutional secularization by which the role of religion gradually became limited Yet by the late 20th century and increasingly following the end of the Cold War this development began to be challenged This book examines the return of religion in constitutions through the concept of constitutional de secularization It places this phenomenon in the context of the constitutional memory of the countries in which it has taken place and critically examines it against the development and standards of constitutionalism as the prevailing constitutional legal and political theory Central to this analysis is the impact of constitutional de secularization on the regulation of equality in liberty that is both the regulation of constitutional rights and the scope for equality of those who are granted such rights The book argues that equal liberty forms an essential part of constitutionalism as a theory and that constitutionalism therefore entails a continuous development towards expanding it The first and second part of the book presents a conceptual framework for the study of constitutional de secularization The third part presents and analyses three cases of constitutional de secularization in Afghanistan Iran and Iraq The book will be of

interest to researchers and policy makers interested in constitutional history and theory and the role of religion in law and its compatibility with human rights *British Museum Catalogue of printed Books* ,1894 *Reference Catalogue of Current Literature* ,1906 **Orissa Society of Americas 39th Annual Convention Souvenir** , Orissa Society of Americas 39th Annual Convention Souvenir for Convention held in 2008 at Toronto Canada re published as Golden Jubilee Convention July 4 7 2019 Atlantic City New Jersey commemorative edition Odisha Society of the Americas Golden Jubilee Convention will be held in Atlantic City New Jersey during July 4 7 2019 Convention website is <http://www.osa2019.org> Odisha Society of the Americas website is <http://www.odishasociety.org> **The Nation** ,1872 *Catalogue Calcutta* (India).
