Dynamic Capabilities Understanding Strategic Change In Organizations Hardcover:

Dynamic Capabilities Constance E. Helfat, Sydney Finkelstein, Will Mitchell, Margaret Peteraf, Harbir Singh, David Teece, Sidney G. Winter, 2009-02-09 Creating adapting to and exploiting change is inherently entrepreneurial To survive and prosper under conditions of change firms must develop the dynamic capabilities to create extend and modify the ways in which they operate The capacity of an organization to create extend or modify its resource base is vital Since the concept of dynamic capabilities was first introduced much research has elaborated the initial idea This important book by Constance Helfat and her team of leading scholars provides a timely focus on in depth examples of corporate dynamic capabilities Examining these in the different contexts of alliances acquisitions and management the book gives students and researchers a succinct up to date definition of dynamic capabilities and the strategic management theories around them Dynamic Capabilities and Strategic Management David J. Teece, 2009 How do firms grow How do firms compete An influential answer to these fundamental questions of business strategy lies in the concept of dynamic capabilities David Teece provides a clear statement of his ideas and a framework for managers wishing to assess their organization s strategy *Strategic Management of Market Niches* Gorazd Ocvirk, 2017-11-22 Gorazd Ocvirk creates a comprehensive model for the strategic management of market niches and provides a framework for the construction of a strategic management theory of market niches Based on the current state of research on the niche topic within strategic management has many niche typologies but no clear common methodological and theoretical framework on which to lean on This model has remained absent from the market niche research in the field of strategic management and has led to a state of conceptual ambiguity of the field

Web 2.0: A Strategy Guide Amy Shuen, 2018-11-16 Web 2 0 makes headlines but how does it make money This concise guide explains what s different about Web 2 0 and how those differences can improve your company s bottom line Whether you re an executive plotting the next move a small business owner looking to expand or an entrepreneur planning a startup Web 2 0 A Strategy Guide illustrates through real life examples how businesses large and small are creating new opportunities on today s Web This book is about strategy Rather than focus on the technology the examples concentrate on its effect You will learn that creating a Web 2 0 business or integrating Web 2 0 strategies with your existing business means creating places online where people like to come together to share what they think see and do When people come together over the Web the result can be much more than the sum of the parts The customers themselves help build the site as old fashioned word of mouth becomes hypergrowth Web 2 0 A Strategy Guide demonstrates the power of this new paradigm by examining how Flickr a classic user driven business created value for itself by helping users create their own value Google made money with a model based on free search and changed the rules for doing business on the Web opening opportunities you can take advantage of Social network effects can support a business ever wonder how FaceBook grew so quickly Businesses like Amazon tap into the Web as a source of indirect revenue using creative new approaches to monetize the

investments they've made in the Web Written by Amy Shuen an authority on Silicon Valley business models and innovation economics Web 2.0 A Strategy Guide explains how to transform your business by looking at specific practices for integrating Web 2.0 with what you do If you're executing business strategy and want to know how the Web is changing business this book is for you **Web 2.0. Technologies (IHIET 2024) Pietro Costa, 2024-08-26 Proceedings of the 12th International Conference on Human Interaction and Emerging Technologies IHIET 2024 August 26-28 2024 IUAV University of Venice Italy Strategic Management in Public Services Organizations Ewan Ferlie, Edoardo Ongaro, 2015-02-20 Strategic Management in Public Services Organizations sets out to connect the two traditionally disparate academic literatures of public management and strategic management The authors argue that some models of strategic management are now of enhanced relevance for contemporary public services organizations especially when considering successive New Public Management reforms This observation has important consequences for the requisite work practices skills and knowledge bases of current public managers as they are increasingly being asked to act as strategic as well as operational managers Strategic Management in Public Services Organizations takes a strongly comparative and international perspective in addressing the fundamental issue of strategic management within diverse public administrative traditions The impact of strategic management on the performance of public agencies is examined and it is argued that the appropriate use of strategic management models depends on the politico-administrative and cultural contexts of the public services organization in question concluding that there is no single best way to strategically lead public organisations This is an advanced textbook aimed at the postgraduate level particularly students on MPAs and MBAs with a public sector option or MScs in Public Policy and Public Management
