**E.W. Kenyon and His Message of Faith** Joe McIntyre, 1997 *The Worldview of the Word of Faith Movement: Eden Redeemed* Mikael Stenhammar, 2021-12-16 This volume approaches the Word of Faith as a worldview and analyses the movement through N T Wright's model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith. The reader receives insights into the movement's narrative, semiotic, practical and propositional dimensions which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world. The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden's authority and blessings. This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith's causative power to affect a direct correspondence between present reality and Eden's perfection. The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism.

**Prosperity Gospel?** Christopher Anthony, 2025-08-21 This book offers a fresh and challenging analysis of the prosperity gospel by providing both a historical examination of its six theological features and a theological analysis of their interconnected roles. Uncovering new sources, the author presents a constructive theology of the Word of Faith movement offering a deeper and more precise understanding of its development and function. Combining historical and theological methodologies, this work makes a significant contribution to the field, shedding light on previously unexplored historical roots of Word of Faith theology and revealing their profound theological implications. This title is a valuable resource for scholars and practitioners alike, especially those interested in the world of Faith theology and its impact on contemporary religious thought.

Post-Charismatic Robby McAlpine, 2023-08-14 Our weekly Charismatics Anonymous meeting is about to begin. Join me will you? It's like we're caught between a rock and a hard place. We're continuationists. We believe all the gifts of the Holy Spirit are alive and well and essential for today. But we've also been burned by unbiblical teachings, spiritual abuse and the gaslighting subculture of pneuma fomo, fear of missing out on the next great move of the Spirit. We yearn for the Spirit's presence and power in our lives. We don't want to throw the baby out with the bathwater, but the water's teeming with spiteful pathogens. It's time to roll up our sleeves and take responsibility for disinfecting the tub. Toxic beliefs have produced spiritual casualties among Pentecostals and charismatics for far too long. Our Kairos moment has arrived. Let's hone the charismata of discernment.

**Bold Faith** Ben Pugh, 2017-03-09 Bill Johnson, Joyce Meyer, Heidi Baker. The fame of these names is evidence enough that though the controversies are less intense, the Charismatic Movement is alive and well today. It continues to attract thousands of adherents who find its vision of a supernatural lifestyle uniquely compelling. Now for the first time, all that is most theologically innovative about the movement is synthesized into five distinct and original ideas. These five brand new theologies have been created not by theologians but by practitioners who believed their concepts were

inspired by the Spirit Inner Healing Shepherding Word of Faith Spiritual Warfare and Signs and Wonders Plenty of studies have been written by Pentecostal scholars about Pentecostal theology but these tend to group the very distinct approaches of Charismatics together with Classical Pentecostals Bold Faith aims to analyze and evaluate the ways in which practitioners within independent Charismatic networks especially in their Anglo American expressions have responded to the challenges of secular modernity      **Charisma and Christian Life** ,1999      **Nigerian Journal of Social Sciences** ,2007      **The Christian and Missionary Alliance** H.
