Selfhood on the Early Modern English Stage Pauline Blanc,2008 The twelve essays in Selfhood on the Early Modern English Stage analyse the influences that shaped the fictional constructs that inhabited the drama of the early modern period The contributors all specialists in the field working in France and England offer a wide spectrum of views and discuss a variety of dramatic texts ranging from late medieval cycle plays and interludes of the Tudor period to plays by Marlowe Shakespeare Tourneur and Jonson The early modern stage self emerges out of this collection as the site of a rich confluence of discursive and historical forces existing beyond the theatre itself Three essays in the first section reveal how abstract figures like Mundus and Mankind gradually became endowed with personal motives and personalizing traits which brought into existence stage beings with a capacity for emotion In the second section three essays deal with specific cultural factors that influenced the representation of selfhood in John Lyly TM s Alexander in Marlowe TM s Tamburlaine and in a selection of Stuart court masques presented at Whitehall The third section offers new insights into the composition of Hamlet as a dramatized personality the fourth investigates the way in which the poet playwright TM s autobiographical impulses may have helped in the construction of early modern stage selves the final fifth section explores the kaleidoscopic sources of the royal protagonists in Rowley TM s When You See Me You Know Me and Shakespeare TM s Richard III This collection of

essays seeks to add a further contribution to the growing body of criticism that investigates the multi facetted multi layered construction of early modern subjectivity Notes and Queries ,2011 The Collected Poems of Christopher Marlowe Christopher Marlowe, 2006 Bringing together the complete body of Marlowe's poetry the book also incorporates related works by other writers By presenting Marlowe's works in the collaborative literary context of Renaissance England the editors reveal his considerable influence on the literature of that period and on future writings Back cover Bibliography of English Language and Literature Modern Humanities Research Association, 2007 Includes both books MLA International Bibliography of Books and Articles on the Modern Languages and Literatures and articles .2008 Early Modern English Drama Garrett A. Sullivan, Patrick Cheney, Andrew Hadfield, 2006 Each of these essays addresses not only a play but a specific cultural or literary topic They cover vital perspectives in cultural studies such as race class gender sexuality and colonialism as well as topics in history like humanism science law and reformation theology and in dramatic genre American Book Publishing Record, 2006 **Choice** .2007 The Spenser Review .2007 2010 Redaktion Osnabrück, 2011-06-16 Marlowe's Republican Authorship Patrick Cheney, 2009-02-15 This book argues broadly that any historical narrative about republicanism needs to place Marlowe at the front of its genealogy and that his interest in republican ideals is sustained from the beginning to the end of his meteoric career More specifically this study will nonetheless argue that it is difficult to discern a clear republican form of government in Marlowe's works What we can discern is republican representation the author's representational foregrounding of his own republican frame of art This study is the first to situate the complex Marlowe corpus within the context of the advent of English Republicanism Latin Erotic Elegy and the Shaping of Sixteenth-Century English Love Poetry Linda Grant, 2019-08-29 Interdisciplinary in approach and methodologically sophisticated this book explores the dynamic reception of Latin erotic elegy in Renaissance love poetry

Masterpieces of Modern Oratory Edwin Du Bois Shurter,1906 The fifteen orations in this volume are intended to furnish models for students of Oratory Argumentation and Debate For the most part the orations are given without abridgement In making the selection the aim has been to include only orations that 1 deal with subjects of either contemporary or historical interest 2 were delivered by men eminent as orators and 3 are of inherent literary value There are of course many orators and orations in modern times that fulfill these tests but it is believed that the orations selected are fairly representative A further aim has been to secure such variety in the selections as to cover in a single volume the fields of deliberative forensic pulpit and demonstrative oratory and so to meet the needs of classes both in argumentation and oratorical composition Provided by editor in Preface Extempore Speaking, for School and College Edwin Du Bois Shurter,1908 Christopher Marlowe, Renaissance Dramatist Lisa Hopkins,2008 An accessible student guide to all of the plays of Christopher Marlowe
