Too Late to Die Young Harriet McBryde Johnson, 2024-03-26 With a voice as disarmingly bold funny and unsentimental as its author a thoroughly unconventional memoir that shatters the myth of the tragic disabled life Harriet McBryde Johnson isn't sure but she thinks one of her earliest memories was learning that she will die The message came from a maudlin TV commercial for the Muscular Dystrophy Association that featured a boy who looked a lot like her Then as now Johnson tended to draw her own conclusions In secret she carried the knowledge of her mortality with her and tried to sort out what it meant By the time she realized she wasn't a dying child she was living a grown up life intensely engaged with people politics work struggle and community Due to a congenital neuromuscular disease Johnson has never been able to walk dress or bathe without assistance With help however she manages to take on the world From the streets of Havana where she covers an international disability rights conference to the floor of the Democratic National Convention in Chicago to an auditorium at Princeton where she defends her right to live against philosopher Peter Singer she lives a life on her own terms And along the way she defies and debunks every popular assumption about disability This unconventional memoir opens with a lyrical meditation on death and ends with a surprising sermon on pleasure In between we get the tales Johnson most enjoys telling from her own life This is not a book about disability but it will surprise anyone who has ever imagined that life with a severe disability is inherently worse than another kind of life
