**Megachurches in Africa** Babatunde A. Adedibu, Felicity Apaah, Okelloh Ogera, Benson O. Igboin, 2024-10-04 The idea of megachurch is pivotal to the nature characteristics and vision of megachurches as a social divine structure grounded on the belief in grand mega God whose omnipotence is revealed encountered and dramatised in space and place Although the concept of megachurch has been discursively and theoretically problematic sprouting and scouting for a big idea grasping that is in itself elusive the book takes a pragmatic detour to engage and nuance and also beat into manageable shape what can readily be construed as megachurch at least in Africa It argues that megachurch is not only related to from the prism of its exponentiality and grandiosity a feature that is pervasive in its conceptualisation but it is also much more inserted into a socio cultural political and religious context that is at once empirical and relatable responsible and responsive daring and appealing local and transnational spiritual and mundane controversial and soothing The institutionalisation of megachurch legitimises its existence radar and reach in terms of social mobilisation charismatics and incarnationality Central to the praxis of megachurches is digital turn that zooms out the Mega Mega powers and affluence of mega pastors mega narratives mega miracles and mega messes All of this is sited and situated most profoundly within the mega failure of state to be responsible and account for mega wealth that African political rulers vanquished into their private lounges The megachurch and state relations might appear complexified and mutually beneficial the knack with which some Africa's megachurches pastors churches churches dribble and meander through this midfield constantly calls to mind the Megachurches Megachurches claim of divine imprimatur and the future of its pentecostality

*How Does Sanctification Work?* David Powlison, 2017-05-12 Many popular views try to reduce the process of Christian growth to a single template Remember past grace Rehearse your identity in Christ Avail yourself of the means of grace Discipline yourself But Scripture portrays the dynamics of sanctification in a rich

variety of ways No single factor truth or protocol can capture why and how a person is changed into the image of Christ Weaving together personal stories biblical exposition and theological reflection David Powlison shows the personal and particular ways that God meets you where you are to produce change He highlights the variety of factors that work together helping us to avoid sweeping generalizations and pat answers in the search for a key to sanctification This book is a go to resource for understanding the multifaceted lifelong personal journey of sanctification **Dynamics of Bible Holiness**

George Mfula ,2022-03-14 I have had many people in my life ask me lots of questions about the highway to greatness Well as much as we can celebrate the gifts and anointing upon our lives still one thing stands tall above everything Holiness stands tall above all things Without holiness no one can see God no matter how anointed or educated you are In this book Pastor Mfula communicates deep things concerning holiness Holiness is not an option but a must Salvation gives you a passport to go to Heaven but it is holiness that gives you the passport to see God That is why Jesus mentioned in Scripture that those who will endure up to the end shall be saved Matthew 24 13 I pray God will open your spiritual eyes to spiritual truth in Christ Jesus Get this book You will learn how to maintain God s presence in your life It will help you understand how to walk in the fear of God In the Kingdom of God you don t derive your greatness from the gifts you have but from the fear that you have developed for God May God bless you **Acting the Miracle** John Piper,David Mathis,2013 We all struggle with sin whether its pride lust anger or something else In this gospel centered resource five church leaders offer practical advice for acting the miracle of sanctification God has already worked within us Sweatless Holiness David W. Palmer,2014 This book has come out of a combination of David s passionate teaching gift his pursuit of truth and his practical hands on experience discipling street kids college students and congregations He has not only thoroughly considered the deep theological issues behind practical sanctification but presents them in straightforward language illuminated by many practical examples I pray this book help you to live a fruitful and holy Christian life free from guilt condemnation and frustration And I pray it helps you to see how to do so sweatlessly David W Palmer *Hidden Holiness* David M. Crump,2025-05-20 *Holiness and the Missio Dei* Andy Johnson,2016-09-29 In Holiness and the Missio Dei Andy Johnson takes the reader on a biblical journey that explores the question of what holiness or sanctification has to do with God s mission in the world He refuses to relegate the idea of humans becoming holy to the realm of individual inward piety or legalism on the one hand or to the realm of the impossible prior to Christ s return on the other Using a missional lens to guide the reader into a theological engagement with Scripture Johnson argues that God s primary means of making us holy is through our participation in his saving reconciling mission to bring creation to its intended destiny As we become and remain part of an ecclesia we are corporately and personally shaped by the Spirit into the image of the cruciform Son through participation in the missio Dei and thereby are being restored into the image of the holy God the imago Dei This book is written primarily for church leaders for students and for academics who are interested in missional readings of Scripture It

will challenge those who read it to re-articulate the church's becoming holy as being inseparably connected to its active participation in God's mission

*The Ground of Holy Life* David D. Cho, 2021-08-12

The Reformation put the grace of God in the right place in the salvation of man. Luther's proclamation of justification by faith brought the concept of grace to the fore and made it the centrality of Christian theology. But the overemphasis on the doctrine of justification in the Reformation created the imbalance between justification and sanctification in the soteriology of the Protestant church. To some people, just the profession of faith without an accompanying godly life was not good enough for salvation. It seemed that salvation by grace of God in the doctrine of justification made man's salvation too easy, thereby opening the floodgate for nominal Christians who were no different from pagans in their hearts. Christian leaders and theologians in the modern church age have tried to rectify this problem by injecting the necessity of works into the Christian life. The spiritual movements such as pietism and perfectionism and new theologies such as the New Perspective on Paul and the Federal Vision are such endeavors that have stressed good works in the salvation of man. However, without the concept of definitive sanctification, they all lost the monergistic nature of salvation and deviated to the humanistic theology of Arminianism or Pelagianism.
