children and schools All the contributors are connected with work that has been done at PPUK and CSAT research centres at the universities of Copenhagen and Bath Both centres enjoy strong reputations for their contributions to cultural historical theory The authors pursue issues raised by a post Vygotskian approach and which make important contributions to the development of the fields of policy and practice      **Capacity, Competition, and Change: The 1988/1989 OSAT Supplier Survey Respondent Report** Michael S.
