Early Narrative Christology The Lord In The Gospel Of Luke:

Early Narrative Christology: The Lord in the Gospel of Luke C. Kavin Rowe, 2012-02-14 Despite the striking frequency with which the Greek word *kyrios* Lord occurs in Luke's Gospel this study is the first comprehensive analysis of Luke's use of this word The analysis follows the use of *kyrios* in the Gospel from beginning to end in order to trace narratively the complex and deliberate development of Jesus identity as Lord Detailed attention to Luke's narrative artistry and his use of Mark demonstrates that Luke has a nuanced and sophisticated christology centered on Jesus identity as Lord

Early Narrative Christology Christopher Kavin Rowe, 2009 Early Narrative Christology Christopher Kavin Rowe, 2005 *Jesus and YHWH-Texts in the Synoptic Gospels* Scott Brazil, 2024-02-21 Scott Brazil examines the frequent practice of applying Old Testament YHWH texts to Jesus in the Synoptic Gospels He argues that this YHWH text phenomenon evidences a high Christology in the primitive church that traces back to Jesus himself He thus finds in this Synoptic practice a stinging contradiction against the modern critical theory that a high Christology took many decades to develop in the early church and exists only in John among the canonical Gospels Brazil surveys the Synoptic Gospels in canonical order exegeting dozens of passages in which OT texts originally referring to YHWH are either clearly or most probably applied to Jesus He observes the frequency diversity and ubiquity of the practice as well as its wide range of OT source material and its parallel to the NT practice of applying OT messianic texts to Jesus And from the data he offers several ramifications including the early deliberate employment of YHWH texts to Jesus the likelihood that Jesus is the source of the practice the high Christology of the Synoptics and the redemptive historical metanarrative that Jesus is the divine interpreter and central figure of the Jewish Scriptures Ultimately Brazil argues that understanding the prolific application of OT YHWH texts to Jesus in the Synoptic Gospels cannot be neglected without truncating genuine NT Christology

Paul and the Gospels Michael F. Bird, Joel Willits, 2011-05-05 This volume which collects together the work of several established scholars attempts to situate the Apostle Paul the Pauline writings and the earliest Christian Gospels together in the context of early Christianity It addresses the issue of how the Christianity depicted in and represented by the individual Gospels relates to the vision of Christianity represented by Paul and the Pauline writings This raises such questions as to what extent did Paul influence the canonical and non canonical Gospels In what way are the Gospels reactions to Paul and his legacy A comparison of the Gospels and Paul on topics such as Old Testament Law Gentile mission Christology and early church leadership structures represents a fruitful area of study While a number of volumes have appeared that attempt to assess the relationship between the historical Jesus and the Apostle Paul relatively few studies on Paul and the Gospels have been published This volume excellently fills this gap in New Testament Studies and makes a valuable contribution to studies on Christian Origins Pauline research and the Gospels

A Theology of Luke and Acts Darrell L. Bock, 2012 Examines Lukan themes language and the book's context within the Bible from publisher description Christ, Church, and World Theodore J. Hopkins, 2021-10-11 As the North

American church struggles to navigate the emerging post Christian context Theodore J Hopkins argues that the church is identified by three fundamental relationships Christ church world By attending to the Christological center of Dietrich Bonhoeffer s theology Hopkins establishes a framework for the church s mission in the world that flows from Christ s relationship to the church and his relationship to the world This Christological framework also illuminates the changing relationship between the church and the world in Bonhoeffer s works such that Discipleship seems to demarcate the church from the world while Ethics seems to unite church and world in one Christ reality Following Bonhoeffer Hopkins contends that the church is both distinct from the world and in solidarity with it in the dynamic of the crucified Lord Jesus who took the form of a servant and is present in Word Sacrament and community as the Risen One Hopkins envisions the church within the story of Jesus so that preaching and teaching the Gospel identifies the church and calls it to faithfulness in Christ s own mission The church is formed to see itself and the world in Jesus and enabled to follow Christ s mission of witness and service in the world

The Message of Acts in Codex Bezae Josep Rius-Camps,Jenny Read-Heimerdinger,2007-11-13 This work presents a fresh look at the text of Codex Bezae and compares its message with that of the more familiar Alexandrian text of which Codex Vaticanus is taken as a representative **Christian Origins** Jonathan Knight,2008 A comprehensive and introductory account of the emergence of Christianity as we know it today Dealing with the Jewish background to Jesus and crucial issues such as the Synoptic problem it is an ideal undergraduate textbook

The Revelation of the Messiah Caleb Friedeman,2023-01-19 In the first two chapters of Luke characters acknowledge Jesus as Messiah Son of God and Lord Lukan characters also speak of John going before the Lord God

suggesting that Jesus might be the Lord in view and connect Jesus with Old Testament YHWH passages These features have made Luke 1 2 a key locus for discussions of Lukan Christology generating speculation as to whether Luke presents Jesus as divine However they also create an apparent incongruity with the body of the Gospel In Luke 3 and elsewhere human characters are initially ignorant that Jesus is Messiah Son of God and Lord Moreover Jesus divinity if Luke affirms it does not seem to be recognized until after the resurrection In this study Caleb Friedeman advances a new model for understanding the Christological relationship between Luke 1 2 and the rest of Luke Acts in which Luke presents these opening chapters as a Christological mystery
