

## O Level Principles of Accounts (7110)

### Unit 8: Clubs and Societies and Incomplete Records

#### Recommended Prior Knowledge

Students should have a thorough understanding of the format of financial statements before starting this unit. They will also find it helpful to have excellent double entry skills and good understanding of cash books, control accounts and the typical adjustments which feature in financial statements.

#### Context

At this stage of their studies, students should be able to prepare financial statements of a variety of organisations beginning with a trial balance. This unit challenges the understanding of candidates by looking at a variety of situations where a trial balance is unavailable.

#### Outline

Although clubs and societies are a form of organisation and incomplete records describe a situation of limited information, the skills required are similar. Students will need to calculate amounts and reconstruct accounts and other statements to prepare relevant information to include in financial statements.

AO	Learning outcomes	Suggested Teaching activities	Learning resources
4.3	Candidates should be able to: <ul style="list-style-type: none"> <li>distinguish between Receipts and Payments Accounts and Income and Expenditure Accounts.</li> </ul>	Explain that receipts and payments are cash based measures. Income and expenditure are based on accruals (explain the concept and relate to accruals and prepayments).	<a href="http://accounting10.tripod.com/Slides23_1.ppt">http://accounting10.tripod.com/Slides23_1.ppt</a>
		A receipts and payments account is the equivalent of a cash book in a club or society. An income and expenditure account is the club/society equivalent of the profit and loss account section of an income statement. Illustrate by example.	Past question papers available from CIE, e.g. Nov 2003 Paper 1 Q30
	<ul style="list-style-type: none"> <li>prepare accounts for the following – receipts and payments, revenue generating activities e.g. refreshments, and subscriptions</li> <li>prepare Income and Expenditure</li> </ul>	Clubs and societies raise money from members by subscription and it is very common to have to prepare a subscription account. Illustrate and practice this showing how cash based measures and subscriptions in advance and arrears are included in ledger accounts. This is used by examiners as a thorough test of double entry skills.	<a href="http://www.bored.ac.uk/stafsup/options/accounting/work09.htm">http://www.bored.ac.uk/stafsup/options/accounting/work09.htm</a>  Jun 2002 Paper 2 Q4 Jun 2005 Paper 1 Q33, 34
