Seven Secrets to Getting Hired for Jobseekers Jonathan Green,Greig Wells,2020-03-01 Are you desperate to get a job If you ve recently been thrust into the cruel world of unemployment or have been searching for so long you ll even settle for a job in fast food you need to read this Unemployment rates are at an all time high We re constantly competing with people that are younger more educated and willing to work for pennies And often being unemployed isn t even your fault it s because someone higher up than you made a mistake These days you re far more likely to lose your job for something you didn t do rather than something you did And the longer you re out of work the harder it is to get back in But it doesn t have to be that way Now you can turn the odds in your favor Employers can be looking for you not the other way around You will no longer be told that you re overqualified underqualified have too much experience or too little You can set your own terms Some people think landing a job is about getting lucky at the right time But do you want to leave your fate and your family s to luck To throw resumes around and hope you get an interview Luck is where preparation meets opportunity We can t control the opportunity but we can control the preparation You don t have to do this alone Getting a job is a skill and like any skill it can be improved with a system and a mentor This book is your guide to give you an advantage over the competition and become the perfect candidate You ll learn The Seven Key Steps To Getting Hired 1 Focus Have you ever tried to drive to an unknown place without directions You might get there in the end but you re bound to get lost Here you ll learn the seven layers of finding your why and how to position yourself to beat the competition this is your roadmap to your new job 2 Getting Them To Choose You A lot of people say they re passionate about the job but how can you go above and beyond to really show them

that you're the best one for the job. One part of this is investing in yourself and your skills and you'll learn how to get paid to do it.

3 **The Specialist Gets Paid** If you need heart surgery, would you go to the general doctor or a heart surgeon? When you're a specialist, you can name your price because you're the best at what you do. Discover your rare skills and position yourself as the expert they need.

4 **Your Job Search Skills Matter** It's really easy to get burned out when looking for a job; we often go through manic cycles and end up getting nowhere in the end. And the key to winning the marathon is in this simple children's tale.

5 **Taking Committed Action** Fear is a major barrier that holds us back from doing the things which push us forward. You'll learn how to not only overcome that fear but to see your unemployment like an opportunity.

6 **Winning Interviews** Did you know that most positions get filled before they are ever offered to the public? These are the skills you need to master in order to get that insider information and be one step ahead of your competition.

7 **Getting The Best Offer** When someone else controls all the factors and you feel like a puppet on a string, your job search efforts are more like gambling. Learn how to be strategic, control as many factors as you can, and land that job. Even if you're desperate, if you feel like you're on the end of your rope, you can take this system and turn your circumstances into your advantage.
