matter what they tried always seemed to find that beautiful women ended up dating jerks and never calling them back Now you might be wondering what all these guys are doing emailing me their questions but as a professional Wing Girl it s my duty to be the girl who gives it to guys straight of the dating community I m always brutally honest and have been told I have a gift for seeing things from both sides of the dating lines but it took me a few glasses of wine and some seriously deep thinking to try to piece the puzzle together What was going on I knew all my gorgeous girlfriends were looking for these types of men Men who were exciting fun good honest and who had their life together So as they were they emailing me detailing their failed attempts I tried to find the one common factor that was holding these great guys back I spoke with them at length about their dating history trying to figure out if they were doing something wrong and then it struck me It wasn t them it was The Game they had been told to play They had the best intentions but they were going about attracting and dating beautiful women in all the wrong ways They were dating from the male perspective and in a way that seemed right to other guys but this wasn t communicated clearly to women As I started to reply to each email instead of telling them what I thought they wanted to hear or what I thought male Pick Up Artists might tell them I started to lay it all out on the line Later on when I asked my girlfriends for their opinion they couldn t believe what I had written I was revealing all secrets women would never tell men I was putting it out there in a way that would give guys what my girlfriends called the upper hand but I defended my actions These were genuinely great guys I was tired of hearing how women could never find what they were looking for Now when I was gave the men a road map to go out and find them they freaked out That s when I knew I had something worth sharing Something that would turn the dating world on its head finally I thought It s time to shake things up If you have ever wondered why you aren t on the calendars of beautiful women why they never seem to call back or always end up with the jerks of the world then you have to hear what I have to say You need to accept that it s not your fault and face the facts Men and women are different We act think and date differently If you want to find success you have to see things from a different perspective You have to gain the world s first and best awarded female Pick Up Artists perspective Now when I go out meet with clients call or email these great guys back I get something in return I get to see them finally date the women they have always wanted and deserved They tell me how easy and simple it has become and how they cannot believe they didn t think of it first Of course I always laugh and tell them How could you We think differently They send me photographs updates and once in a while I ll be invited to a wedding or two Now it s your turn Come see where the controversy lays Discover the secrets that will make women want you chase you and call you back every time Become the man you have always wanted to be but didn t know how

could be your last there s no room for emotion Whatever gets you through the training the thrills the sex you take and are grateful Even as fellow agents are culled by unknown assassins Lucy and Troy remain locked in a breathless clinch of deception distrust and desire At any moment one could be tasked to kill the other and at the Agency protocol rules And cancellation is forever **Get Inside Her** Wyatt Parker,2015-12-18 Do you struggle to pick up the women that you most desire Have you been looking for a way to find the woman of your dreams Seducing a young woman could be simple yet troublesome contingent upon how you take a gander at it Assuming that you think that it simple that is since you has had a few experiences Anyhow assuming that you think that it troublesome chances are you re even now feeling your path around and attempting distinctive techniques to see what lives up to expectations Forgot to tell you one more thing do not forget or divert from your motive at any cost which few men do they create a mystery while seducing their partner Always use pun while speaking with her as conversation is the best way to seduce a girl The foremost thing you should understand is the need of your partner though it is difficult for a person to read women s mind **The Brunonian** Brown University,1904
