## **Gerontological Social Work Practice Issues Challenges And Potential:**

Gerontological Social Work Practice Enid Opal Cox, Rosemary Chapin, Elizabeth Kelchner, 2014-02-25 What are the challenges facing gerontological social workers today and in the near future This book gives you an essential overview of the role status and potential of gerontological social work in aging societies around the world Drawing on the expertise of leaders in the field it identifies key policy and practice issues and suggests directions for the future Here you ll find important perspectives on home health care mental health elder abuse older workers issues and death and dying as well as an examination of the policy and practice issues of utmost concern to social workers dealing with the elderly With Gerontological Social Work Practice Issues Challenges and Potential you ll explore the differences between real situations and what demographics lead one to expect the need for social workers to focus on economic political and social issues in order to promote positive change the long term care insurance issues facing elderly Japanese citizens a Canadian perspective on social work practice with aging people practice techniques to use with aging African Americans strengths based and empowerment oriented ways to work with frail elderly the impact of multiculturalism on social policy and much more

**Gerontological Social Work Practice** ,2001      **Advancing Gerontological Social Work Education** Joanna Mellor, Joann Ivry, 2013-10-23 s your gerontological social work program as comprehensive and as well attended as it could be Advancing Gerontological Social Work Education will help you develop courses that effectively prepare social work students and practitioners to work with the ever increasing older population It clearly presents the rationale for geriatric gerontological preparation and defines the current status of geriatric gerontological education With fascinating case studies detailed curricula and a review of the skills and knowledge competencies necessary for effective geriatric social work practice this book also describes a variety of courses and teaching programs in detail noting the problems that other educators have encountered and offering practical suggestions to help in replicating the programs in other institutions This book is especially useful because it not only examines the issues surrounding and need for increased gerontological education for social workers but because it follows this with specific concrete descriptions of educational approaches and curricula It provides you with both the framework and the specifics to develop your own gerontological social work education program at the graduate or undergraduate level Helpful charts and tables make the information easy to access and understand Advancing Gerontological Social Work Education is divided into three sections each of which will increase your knowledge and understanding of this vital area of social work education The first section examines the historical development of gerontological social work education the CSWE SAGE SW Competencies Project the importance of interdisciplinary teamwork and the educational basis for interdisciplinary team training highlighting organizational context team structure team process and team outcomes ways to increase students interest in this vital area of social work In the second section of this well referenced book you will examine school based initiatives focusing on the development and implementation of the

John A Hartford Foundation Geriatric Social Work Initiative the recruitment of students into geriatric social work with an examination of a fellowship program the relationship between the aging population of the United States and the growing demand for geriatric social workers and how that need can be met through graduate level social work training developing a field training rotation model a doctoral fellowship program and its dissertation support mentorship and leadership development The third section of Advancing Gerontological Social Work Education features an empirical study exploring the potential for a limited curriculum module to enhance MSW and BSW students gerontological practice related knowledge attitudes and interest an overview of the history and rationale of service learning in elder care a description of the varied service learning in elder care programs an experiential exercise that was used successfully to assist graduate students in integrating and applying their knowledge about geriatric assessment the results of interviews with MSW students about the appropriateness of their preparation for medical social work with an aged population conducted at the beginning midpoint and end of their field placements a report on incorporating intergenerational service learning into an undergraduate introductory gerontology course the use of the family study which exposes teams of students for 20 weeks to a family that includes an older adult

**Comprehensive Handbook of Social Work and Social Welfare, Social Policy and Policy Practice**, 2008-03-31 Comprehensive Handbook of Social Work and Social Welfare Volume 4 The Profession of Social Work features contributions from leading international researchers and practitioners and presents the most comprehensive in depth source of information on the field of social work and social welfare

**Elder Abuse and Mistreatment** Joanna Mellor, Patricia Brownell, 2013-04-15 Provide the most effective service possible to help victims of this growing social problem Elder Abuse and Mistreatment is a comprehensive overview of current policy issues new practice models and up to date research on elder abuse and neglect Experts in the field provide insight into elder abuse with newly examined populations to create an understanding of how to design service plans for victims of abuse and family mistreatment The book addresses all forms of abuse and neglect examining the value issues and ethical dilemmas that social workers face in providing service to elderly abuse victims and their families Elder abuse and neglect is a social problem of increasing concern to policymakers practitioners and researchers in the United States and around the world Elder Abuse and Mistreatment incorporates health mental health and social service perspectives that assist social work and health care professionals with interdisciplinary teamwork The book examines the Elder Justice Act the Madrid 2002 International Plan of Action on Ageing new and emerging practice modalities and international models such as shelter programs and support groups and the latest research on practice methods elder abuse with special populations and interventions with victim abuse dyads Topics examined in Elder Abuse and Mistreatment include abuse reporting statutes the roles of agencies involved in abuse investigations service commonly needed by victims funding sources common impediments to service delivery adult protective services APS local state and federal policies social and economic inclusion self determination long term care and nursing homes consumer fraud

and financial abuse dependency and compliance and much more Elder Abuse and Mistreatment Policy Practice and Research is an essential resource for educators and students of social work nursing and public health and for social work practitioners

*Religion, Spirituality, and Aging* Harry R Moody, 2012-12-06 Learn how to make a more positive impact with your social work with the aged Religion is an important coping mechanism for many aging adults Religion Spirituality and Aging A Social Work Perspective presents the latest research that shows how religion and spirituality can improve quality of life for elders Respected social work researchers and scholars provide insight and practical methods for fostering positive aging while also considering how spirituality and religion can affect practitioners themselves The full range of advantages and ethical implications are discussed in clear detail from a social work viewpoint Case studies plainly illustrate the positive impact that the inclusion of spirituality and religion in an aging person's life may have on their physical and mental welfare Organized social work in the early twentieth century actively tried to distance itself from its roots as a form of religious charity in favor of becoming a scientific and professional endeavor Religion Spirituality and Aging once again bridges the gap between social work and spiritual matters by presenting penetrating articles that discuss the issues of the aging soul while examining ways to improve care Creative strategies are offered to contribute to the spiritual side of aging while considering every implication and ethical question The compilation is extensively referenced and includes helpful figures and tables to clearly illustrate data and ideas Religion Spirituality and Aging discusses the latest social work trends and attitudes toward spirituality prayer meditation and acts of altruism as interventions an empirical study of how social workers use religion and spirituality as an intervention ethical considerations and best practices religion and spirituality during long term care the Postcards to God project dreams and their relationship to the search for meaning in later life a spiritual approach to positive aging through autobiography dementia and spirituality creating new rituals for sacred aging spiritual master Henri Nouwen's principles of aging and his approaches to caring for older people an interview study on elders spirituality and the changes manifested in their views of religion Religion Spirituality and Aging is a remarkable reminder that elders are our future selves This erudite well reasoned examination of aging and spirituality from a social work perspective is crucial reading for social workers human service professionals who work with the aged and gerontology scholars

**Growing Older** James T. Sears, 2013-09-13 LGBT older adults experience issues and challenges that are unique including institutional heteronormativity heterosexism in organizations and homophobia among caregivers and social service providers This book presents a diverse group of scholars activists social service providers and researchers from around the globe examining current research practices and policies on aging among LGBT individuals This revealing source lays out the significant challenges faced not only by this aging sexual minority population but also for their social service providers and those who train them The chapters explore the Greater London area Polari Project the adjustments made in the long running HIV support group at St Paul's Hospital in Vancouver and the Liberation Psychology workshops in Ireland for lesbian and

transgendered persons This volume can serve as an excellent teacher resource for engaging undergraduate and graduate students in various professions who will be working with older LGBT adults This text is extensively referenced and includes tables to clearly present research This book is a valuable source for program administrators and supervisors human behavior researchers psychologists and psychotherapists social planners and policy specialists community developers and organizers case managers direct service practitioners involved with LGBT communities educators and students This book was published as a special issue of the Journal of Gay Lesbian Social Services

**Gerontological Social Work and the Grand Challenges** Sara Sanders, Stacey R. Kolomer, Cheryl Waites Spellman, Victoria M. Rizzo, 2019-11-30 The growing number of older adults in the United States poses a significant challenge to families healthcare systems mental health services and many other caregiving groups Using the Grand Challenges for Social Work initiative as a framework this text evaluates critical policies and issues pertaining to older adults identifying both the overall systemic inequalities currently working against older adults as well as specific areas that require updated policies and interventions It calls for active attention to the implementation of science based research policy and practices to promote health and well being Among the topics addressed Family violence against older adults Disaster planning and preparedness Building financial capability for aging families Health needs of incarcerated older adults Closing the gap in healthcare services for older adults Social isolation and its effects on mental health and well being A useful gerontology resource for students social work scholars and practitioners Gerontological Social Work and the Grand Challenges advocates for justice and equal opportunity for older adults and highlights important social issues that must be urgently addressed in the near future

**The New Walford** Ray Lester, 2005 Covers 15 broad subject groupings social sciences generic psychology sociology social work politics government law finance accountancy industries business education sport media information and tools for information professionals

Gerontological Social Work in Small Towns and Rural Communities Sandra S. Butler, Lenard W. Kaye, 2003 Gerontological Social Work in Rural Towns and Communities provides a range of intervention and community skills aimed precisely at the needs of rural elders This essential guide fills a gap in the literature by focusing on the specific practice concerns for social workers assisting older adults in rural areas including the aging experience social worker skills professional functions working with special populations and health and long term care concerns This valuable resource will benefit social workers gerontologists allied health professionals in rural areas and health and human services administrators and managers Each chapter contains a comprehensive review of the subject it addresses and several chapters include tables and graphs to further establish their revealing empirical findings An appendix provides additional sources to turn to for more information on social work with rural older adults
